PACIS AND FANCTES.

A lady in New York used kerosene in her stove to boil her water. She is now in heaven.

Soon after the death of Jackson, Tom Corwin was asked whether he thought the old hero had gone to Heaven. "I den't know," said Tom, his marked countenance relaxing at the conception of the joke," I don't know; but if the General made up his mind to go to Heaven' all-could pet prevent him."

WHY PETROLEUM V. NASBY LEFT WASHINGTON .- Yet ez much ez I love Washington I wuz foeced to leave it. I mite hev staid there, but the truth iz the planks of that city and the pave. ments are harder and worse to sleep on than uv any other city in the United Saits. I hed lived tu months by passin miself off ez a dimekratic congressman, but that cood only last a short time, there not being many of that pursuasion here to personate. I hed gone the rounds ov the house, ez often ez it waz safe, and one nite commenced on the senit. Goin' into Willard's I called for a go uv gin, which the gentlemanly and urban bar-keeper set afore me and I drank. "Put it down with the rest uv mine," sez I, with an impressive wave uv the hand.

"Yoor name," sez he. Assoomin a intillectocal look, I retorted.

"Do yu know Charles Sumner?" Here I overdid it—here vaulting ambition o'er leaped himself. Had I sed "Solusbury" it mite hev dun; but tu give Sumner's name for a drink uv gin, wuz a peace of lunacy for which I can't account. I wuz ignominiously kicked into the street. Drinks obtained at the expense of bein kicked, is cheap, but I don't want em on them terms-my pride revolted, and so I emigrated.
