DATES TO APRIL 10.

New York, April 9.—The *Tribune's* special dispatch says it is generally expected that the President will in a few days release Jeff. Davis and C. C. Clay on parole.

Six white men charged with the instigation of the negro riot at Alexandria have been convicted and sentenced by a military commission. When the criminals left Alexandria for the Alabama penitentiary, female sympathizers in a large crowd assembled and cheered them off.

St. Louis, April 9.—The total loss of the steamers and cargoes by fire, last Friday, amounts to about half a million of dollars. The insurance is about four hundred thousand dollars.

New York, April 9.—The steamer *New York* has arrived from Aspinwall with California mails and treasure.

Fifteen negroes attempted an insurrection at Panama on March 24th, and were surrounded by the troops and shot down like sheep.

Washington, April 9.—The House galleries were crowded to the fullest capacity to-day at quarter past one o'clock p. m. The Civil Rights Bill was taken up for action.

During the morning hour Davis' resolution, offered January 10th, expressing confidence in the President, came up as unfinished business. Raymond, of New York, being entitled to the floor, then moved to postpone the further consideration of the resolution for two weeks. Agreed to. Boutwell, under the call of States, offered resolutions to the effect that whereas Jeff. Davis, C. C. Clay and others were charged, in the President's proclamation of May 3d, 1865, upon evidence in the bureau of military justice, with complicity in the murder of President Lincoln, therefore instructing the Judiciary Committee to inquire if there is probable cause for the charge, and further if there is any probability of their being tried, with power to send for persons and papers.

The Civil Rights bill and the veto message were taken up, and it was a quarter past two p. m. when the reading was completed. Wilson, of Iowa, after a few remarks, demanded the previous question.—Eldridge, of Wisconsin, moved a call of the House, which was declared not to be in order. LeBlond, of Ohio, moved to lay the bill on the table; negatived, ayes, 39; nays, 124. Eldridge and Fuch made motions to adjourn, which were voted down. Eldridge then announced the secession of indignant members, saying they had left the House on seeing a determination to pass the bill over the veto by the operation of the gag rule. The previous question having been ordered, the vote was taken and resulted as follows: ayes, 235; noes, 18. The Speaker declared the bill had become a law, when tremendous and long continued applause broke forth, followed by hisses. Amid this excitement the House adjourned.

New York, April 10.—The township election in Essex county, yesterday, resulted in Union successes. The Democrats carried only three towns. The board of freeholders which last year was a tie, has ten Republican majority.

Chicago, April 10.—The eight hour bill which was before the Ohio Legislature, failed to become a law, by the negligence of the House to concur in some few trifling amendments made by the Senate. The Legislature has now adjourned.

New York, April 10.—A salute of 100 guns was fired at Union Square this morning, in honor of the passage of the civil rights bill.

Chief Justice Chase last evening in a speech at the Methodist meeting at St. Paul's church, alluded to the passage of the civil rights bill as a great triumph, and said the next step would be to give universal suffrage.

The *Herald's* Fortress Monroe special dispatch says: Rumors increase that Jeff. Davis will be taken to Richmond on a writ of *habeas corpus*. His health is growing worse.

The *Tribune's* signalizes its twenty-fifth anniversary by appearing in a new and enlarged form.

The Manhattan Club will next week give James Brooks a public dinner. Late Senator Stockton and late Representative Voorhees are expected to be present.

The bonded warehouse on Greenwich-street is reported to have been robbed of \$10,000 worth of silver, belonging to A. Stewart.

The board of health is prosecuting vigorous measures against the cholera.

Dispatches from St. Domingo of March 25, give the particulars of a great fire at Port-au-Prince on the 19th, which raged thirty hours, and burned thirty-three blocks, embracing a thousand houses. There is great distress in consequence.

The *Sierra Nevada* was expected to be in Portland last night.
