Sensibility is a s'ar that can lead one only when the sky is clear. Reason is the magnetic needle that guides us when the sky is wrapt in darkness.

THE WRONG PLACE -A passenger swearing terribly in the cars on the Boston and Providence railway, was approached by a young minister with more zeal than discretion, who eaid to him abruptly: "My dear sir, do you know where you are going? You are going straight to hell?" "Just my d—d luck!" replied the man, looking the minister in the face with an alarmed air, and suddenly fumbling for his cheek, "I bought a ticket for Providence!"

GETTING THE WORST OF IT.-" Do you want any berries, ma'am?" said a little boy to a lady one day.

The lady told him she would like some; and taking the pail from him, she stepped into the house. He did not follow but remained behind woistling to some canaries hanging in their eages on the porch.

"Why do you not come in and sce if I measure your berries right? How do you know but I may cheat you?" said the lady.

"I'm not afraid; you would get the worst of it, ma'am," said he.

"Get the worst of it! What do you mean ?" said she.

"Why, ma'am, I should only lose my berries, and you would be stealing; don't you think you would get the worst of it?"

A WRONG STATEMENT .- The Walla Walla paper states that the price of freight per ton from Umatilla to White Bluffs is \$20. This is far from being the truth. The price is \$7 50 more on a ton to White Bluffs from Portland, then it is to Wallula. The steamer that leaves Celilo on Saturday will carry about 80 tons of White Bluffs freight The Portage Company lately organized for transporting freight between White Bluffs and Pen d'Oreille Lake, bave sent afteen teams of six and eight mules each, to begin operations with, and as soon as possible the number will be increased to fifty teams, and many more as the necessities of the case may demand .-Oregonian.

Is this the first " wrong statement" you have found in the " Walla Walla paper" of late-especially in regard to the advantages and disadvantages of the White Bluffs route?
