Coast and Geodetic survey. The estimates are based on progress made with the present facilities. It will take 333 years to complete the surveys of Alaska water and 176 years to chart the waters of Washington, Oregon and California, he says.

BOUT IS SHORT

"Spec" Montgomery Finishes Kline in Minute and a Half.

"Kid" Kline, touted as one of the coming champion boxers of Spokane, ran into something last night at Sisters, when he met "Spec" Montgomery, of Bend. Kline outweighed the Bend man by 12 pounds, and entered the ring with all the confidence in the world. A minute and a half after the gong rang for the beginning of the first round his confidence was gone, he had taken the count and was enjoying a quiet nap under the influence of the Montgomery anaesthetic.

According to reports of the match brought back to Bend by men who went over to take it in, Montgomery handled his opponent in perfect style, knocking him down four times before he delivered the final knockout. Montgomery is under the management of George Carroll.
