**SUNDAY AND SATAN START FIRST ROUND**

(By United Press to The Daily Bulletin.)  
NEW YORK, Feb. 13.—The devil got an awful wallop in the first round of the Billy Sunday preliminary campaign here today. When the Old Boy picked up his spiked tail and his pitchfork and started out from Broadway on his daily round he found prayer meetings going on in every block that houses Gotham's twelve million souls.  
Beginning today these "cottage" prayer meetings will be held twice a week until Sunday's arrival April

1. One of the residences opened for the neighborhood prayer meetings in the Plaza section today was that of John D. Rockefeller, Jr. Mr. and Mrs. Rockefeller both are deeply interested in the success of the Sunday campaign. The city has been divided into twenty sections, and "prayer blocks" have been systematically organized. The burden of the prayers prayed is for the salvation of the "backslidden" Christians.
