

NINE FROM H. S. TO BE EXEMPT

GRADUATES ALLOWED TO TEACH.

State Examinations for Deschutes Teachers to Be Held in Bend June 27-29 — Examination Schedule Announced.

The nine graduates from the teachers' training course of the Bend high school this year will not be required to take the teacher examination for one year, five years, and life certificates which will be given in Bend, June 27, 28, 29 and 30.

The graduates of this department, according to J. Alton Thompson, county school superintendent, are qualified to teach for the coming year. If successful their first year they may be again recommended by the county superintendent for an additional year of teaching before they will be required to take the examination for state certificate. Those who hold life certificates and graduates of the state normal school do not have to take examination.

Three of the high school graduates have already secured schools for the coming year. Marie Brosterhous will teach music and act as supply teacher in the Bend city schools. Gertrude Reynolds will have charge of the lower grades in Metolius. Frances Thompson has been employed to teach the Young school east of Bend.

Examinations for those whose certificates have expired will be held in the Bend high school auditorium, June 27, 28, 29 and 30, for Deschutes county teachers. An average of 75 will be required in 11 subjects for the one year certificates, an average of 85 in 16 subjects for the five year permit, and an average of 85 in 24 subjects will be required for life certificates. All grades which have previously been passed with a grade of 90 per cent need not be taken again, according to Mr. Thompson. The examination schedule has been announced as follows:

Wednesday forenoon, U. S. history, penmanship, drawing, music; **afternoon**, physiology, reading, manual training, composition, domestic science, methods in reading, course of study for drawing, methods in arithmetic.

Thursday forenoon, arithmetic, history of education, psychology, methods in geography, mechanical drawing, domestic art, course of study for domestic art; **afternoon**, grammar, geography, stenography, American literature, physics, typewriting, methods in language, thesis for primary certificate.

Friday forenoon, theory and practice, orthography, physical geography, English literature, chemistry, physical culture; **afternoon**, school law, geology, algebra, civil government.

Saturday forenoon, geometry, botany; **afternoon**, general history, bookkeeping.

BEST IS INSPECTOR

The Deschutes county court in session this morning appointed Woody Best, a stockman of Harney, inspector for the county to act until a permanent inspector is appointed by the governor.

By an Oregon law of 1915, the power of recommending stock inspectors for appointment by the governor is vested in the Oregon State Horse and Cattle Association. Mr. Best will act until some action is taken by the association.

The court is going over the Bend-Tumalo road this afternoon with George S. Young, county surveyor. Several changes may be made, eliminating dangerous turns and stretches of road where the view ahead is obstructed.

At the Movies

Bend Theatre.
Without a doubt, one of the very best photoplays ever offered at the Bend Theatre has been obtained for this Saturday night and Sunday matinee programs. It is the most recent of the much-talked-of Brady-Made World Pictures and features the popular and talented stars, Ethel Clayton and Holbrook Blinn.
This couple have scored a number of successes together in recent World releases, but their work in the present story, "The Hidden Scar," far exceeds anything they have so far presented.
Both have roles to portray which call for the keenest dramatic finish as a slight over-drawing of the characterization given them would undoubtedly make the entire piece appear ridiculous. That the reports of the play have all been so very favorable, shows the amount of thought the stars devoted to their parts.
With an exceptionally strong theme chosen for the plot of the story, the masterful manner in which each succeeding complication has been presented and the unlooked-for "punch" which marks the climax, are sure to be appreciated by every thoughtful audience. It will be screened at the Bend Theatre only on Saturday night and Sunday matinee.

Grand Theatre.
Coming up, at the Grand Theatre Saturday's matinee and Saturday evening is Charley Chaplin, in one of his latest and best comedies, "The Cure." Can you imagine Chaplin ever getting cured of anything and staying cured. Well, it may not be that he is cured, but he is ridded of the freshness, the attitude this comedian is capable of acting to the finest point. Chaplin goes in true form in this picture. With "The Cure," is again to be seen Mrs. Vernon Castle, the superb star of the famous Pathe serial film, "Patria." Beatrice Fairfax will be seen in another fine film tomorrow.
The Presbyterian Guild benefit will be seen again tonight—Alice Joyce and Harry Morey, in "The Courage of Silence." A special program is also to be given at this performance.

COYOTES COME SLOW

County Clerk's Office Sees No Increase, at \$3.00 Bounty.

The number of coyote bounties has not shown a noticeable increase since the bounty was raised from \$1.50 to \$3.00, according to Miss Whitmore, deputy in the county clerk's office.
The increased bounty is paid only on hides which have been taken since May 21. A new ruling requires the

whole hide be brought to the clerk's office. The head will no longer be cut off the hide as before, but the feet will be cut instead, which will not decrease the value of the skin to the tanner.

J. G. Murphy, of Bend, brought in 11 hides this week which he had taken in the Millean Valley district.

Celebrate in Bend July 4 and 5.
