

DEPARTMENT IS OVERWHELMED

LAST MINUTE BOND RUSH IS BIG.

Tabulators Asked to Work Tonight and Sunday to Find Out How Great Is Over-Subscription—Need 3,000,000 Buttons.

(By United Press to the Bend Bulletin)
WASHINGTON, D. C., June 16—The last minute rush of subscriptions to the Liberty Loan bonds has overwhelmed the Treasury Department.

This morning the Department asked the tabulators to continue work all night and Sunday, in an effort to ascertain definitely the amount of over-subscription.

At present it is indicated that a definite result will not be known before the middle of next week. From present reports it appears that the subscriptions over the two billions called for will exceed eight hundred millions of dollars.

Officials believe that three million Liberty Loan buttons will be required to give a button to each subscriber to the loan.

HAIG'S MEN REPULSE COUNTER OFFENSIVE

(By United Press to the Bend Bulletin)
LONDON, June 16—The British forces holding positions wrested on Thursday from the Germans south of Ypres have been hotly attacked by the Kaiser's forces, according to a report received from Field Marshal Haig.

The counter offensive has been marked by heavy artillery fire, but only a few Germans have succeeded in penetrating the British curtain fire. The scattered ones who came through and reached the British trenches were immediately driven out and the entire attack repulsed.

PATROLS SAVE BOAT FROM SUBMARINE

(By United Press to the Bend Bulletin)
ELIZABETH, N. J., June 16—A cablegram has been received here announcing the torpedoing of the four-masted schooner Anna Heldritter, carrying tiling. The schooner was attacked off Gibraltar and saved from sinking by the timely arrival of French and British patrols, which towed her to port.

FRENCH PENETRATE GERMAN TRENCHES

(By United Press to the Bend Bulletin)
PARIS, June 16—The only fighting officially reported on the French front today is much raiding and violent artillery fire in certain sections. East of Rheims, French troops penetrated the German trenches and took a number of prisoners. German raids have been repulsed.

DYNAMITE CAPS GO OFF IN HAND

THREE FINGERS ARE TORN AWAY.

Elmer Dyer, of Millican, Injured in Explosion Comes 28 Miles for Medical Attention—Heat Explodes Caps In Hand.

Four dynamite caps held in the hand of Elmer Dyer, of Millican Valley, exploded this morning, tearing away the thumb and all except the little finger on his left hand.

The accident occurred on the homestead of Ernest Dyer, brother of the injured man, 28 miles east of Bend, at 9 o'clock this morning. Dyer was rushed to Bend by automobile and arrived at the Bend Surgical hospital at 11:20. He is under the care of Dr. Cousineau.

Dyer, who was alone at the time, was throwing away seven dynamite caps that were left in the house from excavation work on a well last summer. He had thrown three away, one at a time, and his brother plowing in the field had heard the reports, when the four remaining caps exploded from the heat of Dyer's hand.

The palm of Dyer's left hand is being stitched together, and his eyes, which are badly swollen, will probably be saved from permanent injury. Dyer's face, arms and stomach were badly, but not seriously, torn in the explosion. He is 23 years old.

REPORTS FROM SPAIN SAY ARMY IN CONTROL

Because of Censorship, No News Received for Four Days—German Propaganda Causes Trouble.

(By United Press to the Bend Bulletin)
LONDON, June 16—It is vaguely reported here that the Spanish army has assumed power over the whole nation. Because of the strict censorship there has been no direct word from Spain for the past four days. When the censorship curtain dropped a crisis existed between Premier Dato and army leaders. Spanish newspapers have attributed Spain's troubles to German propaganda.

FARMERS NOT TO BE EXEMPT FROM DRAFT

(By United Press to the Bend Bulletin)
WASHINGTON, D. C., June 16—Farmers are not to be exempt from military service, according to an announcement made today by Provost Marshal General Crowder. General Crowder reiterated that only the indispensable men in any industry are to be exempted. Every man who can serve the nation better as a soldier than in his present occupation, is to be called to the colors unless thereby an actual hardship is worked on dependents.

GIANT BUGLE WAKES WEARY PLATTSBURGERS

Photo by American Press Association.
Weary and footsore after long marches and heavy drilling, the "tired business men" at the officers' reserve camp at Plattsburg, N. Y., sink to sleep at night in well earned slumber, but not to oversleep, because early morning finds the notes from this giant bugle ringing in their ears.

The President's Proclamation

THE WHITE HOUSE, May 25, 1917—"Inasmuch as our thoughts as a nation are now turned in united purpose toward the performance of the services and duties which we have assumed in the cause of liberty and justice;

"Inasmuch as but a small proportion of our people can have the opportunity to serve upon the actual field of battle, but all men, women and children alike may serve and serve effectively by making it possible to care properly for those who do serve under arms at home and abroad;

"And, inasmuch as the American Red Cross is the official recognized agency for voluntary effort in behalf of the armed forces of the nation and for the administration of relief;

"Therefore, by virtue of my authority as President of the United States, and as President of the American Red Cross, I, Woodrow Wilson, do hereby proclaim the week beginning June 18, 1917, as Red Cross week, during which the people of the United States will be called upon to give generously and in a spirit of patriotic sacrifice for the support and maintenance of this work of national need.

"WOODROW WILSON."

POLICE TAKE WOMEN IN RIOTS

CITY HALL PARK IN NEW YORK SCENE OF PROTEST AGAINST WAR AND CONSCRIPTION—HAT PINS USED.

(By United Press to the Bend Bulletin)
NEW YORK, June 16—Three women were arrested and further arrests are expected as a result of anti-conscription in City Hall park this afternoon. Women used hat pins freely on policemen during the course of the affair. Three hundred women gathered in the park early this afternoon. The police, who were massed in the park in anticipation of the visit attempted to disperse them. The women's complaint was that it was impossible to serve Mayor Mitchell with a letter protesting against the war and conscription. The crowd was broken into groups by the police, the women fighting with hat pins and their teeth. The leaders were carried to headquarters in commandeered automobiles.

LOOKS BACK WITH JOY AT FREIGHT COUPLING

LONDON, June 16—Coupling cars on the Northwestern Railroad at Kenzie street and California avenue, Chicago, is what Paul Gassard, of Council Bluffs, Iowa, often looks back on reminisciently as he lies in the hospital here, recovering from a German bullet received at Vimy Ridge. Gassard participated in the murderous assault on the Royal Canadian Rifles at Vimy on Easter Monday. He was the first man to join the 97th battalion, the American Legion. As for his wound—"It might have been worse," he says.

JAPANESE VESSEL IS SUBMARINE VICTIM

TOKYO, June 16—The Japanese steamer Sakaki has been submerged in the Mediterranean. It is officially announced. Four officers and 54 seamen were lost.

JEFFERSON CO. TEAM RETURNS

CULVER-MADRAS TO MEET BEND TOMORROW, AFTER REORGANIZATION—SHEVLIN-HIXON PLAYS PRINEVILLE HERE.

Desiring not to abandon its place in the Central Oregon league, despite the difficulty that the team has encountered financially, the Jefferson County baseball team reorganized this last week and will be ready to receive the Bend team tomorrow. The Culver-Madras aggregation has been strengthened and expects to make a more creditable race for the remaining games of the season. The Bend players are urged to be at the train tomorrow morning before 7:25 o'clock. The Shevlin-Hixon fast traveling aggregation will try harder than ever to recoup from its defeat last Sunday at Prineville. Now that the Crook county team is in the garret of the league, a strong effort is being made to stay there for the rest of the season. The lumbermen have annexed some new material. The game at home will be called promptly at 3 o'clock tomorrow.

ANOTHER AMERICAN MEETS SUBMARINE

Vessel Is Badly Damaged, But Not Sunk—Details Lacking—Crew of the Petrolite Saved.
(By United Press to the Bend Bulletin)
WASHINGTON, D. C., June 16—The American schooner Ritter was recently attacked and damaged by a submarine, according to information given out by the State Department. Although badly shattered, the ship was not sunk. The Department will not disclose the date of the attack nor advise whether any of the crew were injured or killed. All of the crew of the Petrolite, submerged recently, have been saved, according to the Department, the men who were missing having been safely landed.

NOTE TO CHINA ANGERS JAPAN

SHE REFUSES TO JOIN UNITED STATES.

Britain Also Holds Off—No Reason Given, and American Authorities Are Perplexed—Further Efforts Will Be Difficult.

(By United Press to the Bend Bulletin)
WASHINGTON, June 16—Following receipt of advices showing that Great Britain had turned down a suggestion from the United States of joint action in the Chinese situation it has developed officially that Japan has also refused a request from the United States that she join the recent advice to China to compose international difficulties. Japan is apparently sensitive and somewhat embittered because the United States, as she claims, insulted her in respect to the Chinese situation.

Japan has a paramount interest in China which evidently influenced her to withhold support from the American position. The refusal of Great Britain perplexes the American authorities, the official reasons for the refusal to join not being given. It now appears that the United States asked the Allied Powers to join in the advice to China after the note was dispatched.

Officials here are attempting to minimize the importance of the refusals received from Japan and Great Britain, but it is declared that they will probably embarrass further further American efforts to compose Chinese internal difficulties. The aspect of the case from the Japanese point of view authorities refuse to discuss. Recent Japanese developments, however, are not encouraging and Japan is apparently resentful of America's course.

DRAFT IN OREGON WILL BE LIGHTER

So Many Have Enlisted in the Regular Army That Fewer Will Be Conscriped.

(By United Press to the Bend Bulletin)
WASHINGTON, D. C., June 16—Fewer Oregon men will be conscripted than was first estimated, according to figures secured from the War Department today. Oregon enlistments in the regular army April 1 to June 6, were 1999, whereas Oregon's proportion of troops was 1344. Enlistments are credited to a state and the excess of regular army volunteers means just that many less from Oregon in the draft.

UNION MEN TO MARCH IN PARADE ON FOURTH

Decision that all Bend Union men would take part in the parade during the Fourth of July celebration was reached last night at a meeting of the Central Labor Council. The union men will march in a body. The carpenters and bricklayers have made plans to have floats representing their trades.

TERMS OF PEACE ARE SUGGESTED

GERMAN SOCIALISTS INDICATE WHAT WOULD BE ACCEPTABLE TO THEIR GOVERNMENT—NO INDEMNITY FOR BELGIUM.

(By United Press to the Bend Bulletin)
AMSTERDAM, June 16—Members of the majority party of the Socialists of Germany who are here have outlined peace terms which they believe will probably be agreeable to the German government. The terms as stated by the Socialists include the return of the German colonies, German retention of Alsace and Lorraine and no indemnity for Belgium. In the case of Belgium, it is claimed that no payment should be made because it is difficult to determine which of the belligerents is responsible for the damage done. Germany would retain Alsace and Lorraine because they are nineteenth century German, while the German colonies now held by the Allies would be returned under the Socialistic doctrine of "no annexations."

FOOD CONTROL BILL IS REPORTED IN SENATE

(By United Press to the Bend Bulletin)
WASHINGTON, D. C., June 16—The Senate Agricultural committee reported out the Lever Food Control bill, putting the initial fight on the measure up to the Senate. The bill was sent out of committee without recommendation and will come up for debate early next week.
