

BEND HOST FOR TWO DAYS TO CENTRAL OREGONIANS WHO ATTEND CELEBRATION

PARADE IS FEATURE ON THE FOURTH.

Street Sports, Water Events, and Ball Game Keep Record Crowds Well Entertained on the Second Day.

With a vim not a whit abated by the activity of the preceding day, Bend entered into the second half of her Independence Day celebration today. Incidentally, while Bend was celebrating, more than half of the balance of the population of Central Oregon was celebrating with her, for the crowds that massed the streets were easily the largest of any ever seen in this city. Hotels were overflowed, and many camped out on the edge of town in order to be able to be on hand to take part in the festivities. Ideal weather prevailed during both days of the celebration. Street sports were held this morning, with aquatic events and a ball game between Bend and the Shevlin-Hixon team scheduled for the afternoon.

The big feature of yesterday's program was the parade, which, starting on Greenwood street, wound twice through the business section of the city before coming to a halt. Led by E. D. Gilson, chairman of the parade committee, attended by an honor guard of girls and buccaroos, the line of march started only a few minutes after scheduled time. As the second division, came the band from Cole Bros', circus, followed by an auto in which rode Hon. Jay H. Upton, of Prineville, speaker of the day, Representative Vernon A. Forbes, County Judge W. D. Barnes, Charles W. Erskine, and Fred Woelfen, chairman of the general celebration committee. A second car was filled with city officials.

Autos are Beautiful.
The Red Men lodge occupied a large section of the parade, with a marching division and float. The Moose, on foot, formed a bodyguard for their float, representing Mooseheart, the industrial school maintained by the order.
The Parent-Teacher association float, a beautifully decorated auto crowded with little folks, followed, and the Red Cross auto, driven by Harry K. Brooks, and filled with members of the Bend chapter busy with needlework, received much favorable comment.

Unions Typify Trades.
A joint float by the Bend Brick & Lumber Co. and the Bricklayers' Union, showed men at work erecting a brick wall, while the cleverly conceived Carpenters' Union float which followed, revealed workmen busy with the building of a miniature house, perfect in every detail, as far as the construction had progressed. The Baptist Sunday school float, demonstrating what a large number

GERMAN TROOPS CONCENTRATING

DESPERATE RESISTANCE OF FERRED SLAV ATTACK & EAST BREZANY, REGARDED AS THE KEY TO LEMBERG.

(By United Press to the Bend Bulletin)
PETROGRAD, July 5.—The German army chiefs have concentrated counter attacks to stop General Brusiloff's offensive campaign, the East Brezany war office announced today. The enemy's pressure caused the retirement of the Russian troops under heavy artillery fire. East of Lipitza and Dolnana, the enemy was twice repulsed, however. This is the first comprehensive counter offensive move which the enemy has attempted since General Brusiloff's offensive campaign was started.

Apparently the enemy did not expect as powerful an assault as has been made, and thought they could break it down easily. The Brezany sector is being desperately defended by the Teutons because it is regarded as the key to Lemberg, 50 miles farther northwest.

ARGENTINA SERVES GERMANY ULTIMATUM

(By United Press to the Bend Bulletin)
BUENOS AIRES, July 5.—Argentina has served its ultimatum on Germany.
It was authoritatively learned today that the government has dispatched a note to Berlin asserting that unless Germany makes immediate indemnification for the past destruction of Argentine ships, and grants assurance against future attacks, Argentina will break off diplomatic relations.
It is stated that the Argentine note does not include the time limit which was incorporated in Wilson's demand for a German reply.

9-4 GAME GOES TO PRINEVILLE

SCORE REMAINS TIE UNTIL THE NINTH INNING, WHEN HITTING AND ERRORS BY LOCALS DE- CIDE OUTCOME.

After securing a two-run lead in the third inning, of yesterday afternoon's ball game Bend allowed Prineville to tie the score in the sixth, the local team blowing up entirely in the first of the ninth and permitting five men to cross the plate, making a total score of 9-4. A capacity crowd filled the grandstand, bleachers and the auto section.

Prineville scored first in the third, Maison hitting, going second on Clow's overthrow to first, stealing third, and coming home on Stover's error. Springer started things for Bend in the following half with a long fly which Albee muffed. Springer took second when Bechtel dropped Albee's throw. Shots went first on Ellis' error, stole, and Springer scored on a passed ball. Johnson walked and Stover's two-bagger scored Shots and Johnson.

Steele came up for Prineville in the fifth, was hit by a pitched ball, advanced to third on Greenwood's hit and scored when Johnson dropped Lynch's throw to the plate.
Bend picked up the final tally in the game for the locals in the fifth. Johnson doubled, took third on a wild pitch and scored on Bechtel's error. Prineville grabbed two more runs in the sixth. Ellis singled, advanced on Tetherow's out, Springer to Parker, and scored on Stover's error. Albee got on by the aid of Lynch's error, took second on Steele's scratch hit, and scored on Greenwood's single.

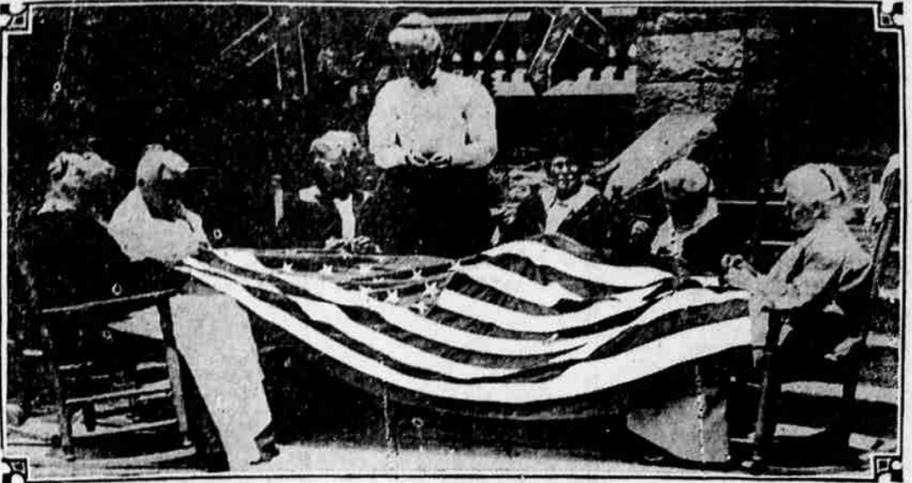

With one down, McCall started the riot for the visitors in the ninth, hitting, taking second on Maison's hit and third when Bechtel walked. He scored when Johnson dropped Lynch's throw. A succession of skull plays and errors in rapid-fire order resulted in the scoring of Maison, Bechtel, Ellis and Tetherow. The teams lined up as follows:
Prineville—Greenwald, c.; Fox, ss.; McCall, lf.; Maison, 3b.; Bechtel, 2b.; Tetherow, p.; Albee, cf.; Steele and Groce, rf.
Bend—Shots and Johnson, c.; State and Clow, 3b.; Stover and Shots, 2b.; Knutsen and Lind, lf.; Shots, Clow and O'Donnell, rf.; Land and Knutsen, cf.; Lynch, ss.; Parker, 1b.; Springer, p.

The score— R. H. E.
Bend 4 4 12
Prineville 9 9 5
Batteries—Bend, Springer, and Shots and Johnson; Prineville, Tetherow and Greenwood.
Umpires, Jack Mahoney, of Bend, and Casey Brewster, of Prineville.

FRENCH ARTILLERY CHECKS INFANTRY

(By United Press to the Bend Bulletin)
PARIS, July 5.—Active artillery fire at Moronvillers, Prunay, and Hill No. 304 is officially reported. The German massed infantry attacks south of Laon and around Verdun have apparently ceased as the result of the witheringly destructive French artillery fire.

SOUTHERN WOMEN WEAVE OLD GLORY FOR SONS

Under the stars and bars wives and widows of Confederate veterans at Atlanta show their loyalty to the Union by making a Star Spangled Banner to be presented to the first Georgia regiment to be sent to France.

J. E. WARNER IS ASSAULT VICTIM

ENTERS HOUSE TO BORROW FROM RANCHER, AND IS HIT ON HEAD—WOUNDS ARE NOT DANGEROUS.

Suffering from a scalp wound inflicted Tuesday night, J. E. Warner, of the Brothers section, is at the Bend Surgical hospital today, the result of an alleged attack by a rancher living some 17 miles from Bend. The officials are in possession of only meager details, and have not learned the name of Warner's assailant. No complaint has as yet been filed, and the victim of the attack is out of danger.

According to the information available, Warner stopped his car and went into the house to borrow a block and tackle. As he entered, he was hit over the head, presumably with the butt end of a revolver. He was immediately rushed to Bend for treatment.

NEW SECRET SERVICE TO COPE WITH SPIES

National Intelligence Service Organized by U. S. Government on Same Plan as Scotland Yard.

(By United Press to the Bend Bulletin)
WASHINGTON, D. C., July 5.—The immediate necessity for smashing the German spy system has caused the government to organize a completely new secret police system known as the National Intelligence Service, and including operatives of the State, War, Navy, and Justice departments.
The Treasury secret service men will continue to work individually on counterfeiting cases. The new body is similar to Scotland Yard, in Great Britain.

STATE GRANGE BACKS ANNUAL OREGON FAIR

(By United Press to the Bend Bulletin)
SALEM, Or., July 5.—The State Grange has lined up actively behind the state fair and has assured Secretary A. H. Lee that the grangers will endeavor to secure an appropriation from every county court in the state for a county exhibit at the state fair. If the Grange is successful in its efforts, every county in Oregon will be represented. Twenty counties have already arranged for space for an exhibit, Lee said today.

SOLDIERS TO WRITE COUNTLESS LETTERS

(By United Press to the Bend Bulletin)
TACOMA, July 5.—The 40,000 men who will train at American Lake will write 50,000 letters daily, totaling several million during the period of training. This is the estimate of the army Y. M. C. A. which has ordered 10,000,000 envelopes printed in red, white and blue for the soldiers-to-be. Twenty-five tons of paper for the envelopes will be made at Everett, Wash., paper mills and the envelopes will be printed in Portland. A million envelopes will be delivered a month, beginning in August.

CARPENTER KILLS WIFE, AND SUICIDES

(By United Press to the Bend Bulletin)
PENDLETON, July 5.—John Bowman, carpenter, this morning killed his wife and committed suicide, the crime being committed after a desperate struggle between the two.

SAMMIES START TRAINING TODAY

PERSHING'S VETERANS GO INTO PERMANENT CAMP AFTER BE- ING ACCORDED MONSTER DEMONSTRATION IN PARIS.

(By United Press to the Bend Bulletin)
PARIS, July 5.—A part of General Pershing's Sammies are off for field training before going to the front line. Following a typical Fourth of July celebration, a battalion of United States regulars left today for permanent camp. General Pershing is extremely anxious to get his men settled into permanent quarters as quickly as possible.

Paris went wild yesterday acclaiming France's gratitude to America. Monster crowds cheered themselves hoarse as Pershing's veterans swung along in the parade, the eagerness of the soldiers to get at the foe appearing in every step.

First on the program came the presentation of flags to General Pershing, following which General Joffre accompanied the American commander in an auto trip through the city.
Paris has never before seen such enthusiasm.

FOREST WILL HAVE A RANGE EXAMINER

John Kuhns, of Cascade Forest, to Start Work Here July 10—To Seek to Increase Range.

For the first time in the history of the Deschutes National forest, a range examiner is to go on duty July 10, Supervisor W. G. Hastings announced this morning. John Kuhns, of the Cascade National forest ranger force, has been appointed to the position and will be on duty for the remainder of the summer and may make his headquarters here during the winter.

Range reconnaissance, with the object of finding more feed for stock, and the consequent increase of the range carrying capacity will be the chief work of the new official.

M'NARY WOULD AID STATE RECLAMATION

Oregon Senator Introduces Bill Calling \$20,000,000 Appropriation for Irrigation Projects.

(Special)—Senator C. L. McNary, of Oregon, has introduced in the Senate an amendment to the Food Control bill appropriating \$20,000,000 for the aid of western reclamation projects. A similar amendment, offered by Congressman Sinnott in the House was defeated by a narrow margin.

Senator McNary holds that the development of idle acres and the completion of irrigation projects is of the utmost importance as a means of increasing food production and thereby strengthening the nation in its mobilization of resources.

FOURTH DEATH LIST SHOWS A DECREASE

(By United Press to the Bend Bulletin)
CHICAGO, July 5.—Seven were killed and 145 injured in Fourth of July accidents here, it was estimated today. Thirty were killed and 838 injured on the Fourth last year.

CHAUTAUQUA IS GREATLY LIKED

GOOD CROWDS ATTEND SESSIONS EVEN WHILE CELEBRATION IS ON—HEADLINE MUSICAL AT- TRACTION IS TODAY.

While Bend's big celebration is going on, the Chautauqua is playing no little part in the events of the week, and is drawing large crowds and receiving much favorable comment for the excellence of the performances. One of the best of the week's series was given this afternoon, when the Royal Venetian band made its initial appearance here. Their grand concert will be given this evening, with solos by Mary Adel Hays, coltura soprano.

Tomorrow's program will include the junior Chautauqua in the morning under the direction of Miss Esther Clark, and in the afternoon the Wasser Company will appear, with a lecture by W. L. Mellinger, on "Misunderstood Mexico." In the evening the Wassers will again entertain, and Sir Douglas Mawson's Antarctic expedition moving pictures will be shown.

GOOD GAIN MADE IN LOCAL POSTOFFICE

June Receipts Make Advance Over May, and Sales for Last Quarter Show Increase Over 1916.

Encouraging results for the past quarter were shown today in the postal receipts made public by Postmaster Henry B. Ford. Not only do the receipts for the quarter ending June 30 exhibit a notable increase over receipts for the corresponding quarter in 1916, but the total for June showed a marked gain over the month preceding.

For the quarter, postal sales amounted to \$4,633.86, and for the same three months last year, the aggregate was \$3,352.16. During the past month, sales amounted to \$1,602.06, while for May the total was but \$1,365.46.

HUGE PLANT MAKES ENGLISH EXPLOSIVE

Construction Finished on Manufactory Nine Miles Long and From Two to Three Miles Wide.

(By United Press to the Bend Bulletin)
SOMEWHERE IN THE NORTH OF ENGLAND, July 5.—"Even if England could be starved, she could still keep on shooting."
This statement, made by Sir Edward Pearson, is supported by evidence seen in the course of a trip from one end to the other of the largest explosives factory in the world. High-powered automobiles were necessary to make the trip possible in so short a time, for the plant stretches out nine miles in length and from two to three miles in width. Sir Edward's connection with it has been in the construction work, which is practically completed. A year and a half ago nothing but flat farms were to be seen, with occasional villages and streams of rich historical interest. Now it is a thing of brick and stone, timber and steel and strange chemical smells, all devoted to one end—cordite.

Twenty-five thousand men, boys, women and girls keep it humming and of these preponderating number are girls. When the last crew of construction men has been withdrawn, 75 per cent of the employees will be girls.

MILLMEN TAKE SCORE OF 9-0

PRINEVILLE FORFEITS TO SHEVLIN-HIXON.

Umpire Davis Orders Tetherow Off Field and Team Refuses to Play
Prineville Score, 5-4, Before Decision Made.

With the score 5-4 in the last half of the eighth, in favor of Prineville, Umpire Davis forfeited the game, 9-0, to the Shevlin-Hixon team yesterday afternoon, after he had ordered Tetherow off the field, and Manager Harry Kennard, of Prineville, had refused to let the Crook county team continue in the game without their pitcher. Following the game, Kennard asked that the purse be split, instead of the long end going to the mill men, but met with the refusal of the sports committee.

The fracas which closed the game came when, with two men down and one on second, Umpire Davis diagnosed one of Tetherow's offerings to Jimmy Clifford as a ball. Running to the plate Tetherow seized Davis by the arm and, according to Davis, used abusive language in questioning the decision. Sam Bullock, pacifier, pulled Tetherow away and Davis ordered the Prineville pitcher out of the game. Prineville's only other slabster, Morris, had been benched early in the game.

Good While It Lasted.
While it lasted, the fans saw a good brand of ball. Prineville scored twice in the first frame, Fox and Maison singling in succession, and crossing the plate on Groce's hit. A third tally was added in the second, when Ellis hit, reached second and scored on Bechtel's single.

S-H, scored in the third, Houston walking, advancing a notch on the four balls heaved to Boland, and completing the circuit when Clifford flied out to Greenwood in center field. It was after Morris had walked two in succession in the fourth that Tetherow was put in.

Bend Strong in Eighth.
Prineville came back strong in the fifth. Fox hit, and went home on Maison's bingle. Aided by an overthrow to second by Clifford, Maison reached third, and scored on Groce's sacrifice.

The remaining tallies for S-H. were made in the eighth. Shots hit and stole, Lind struck out, Houston walked and went out at second, Box to Bechtel, while Boland reached first on the same play. Knutsen hit a long single, scoring Shots and Boland. The score:

DRAFT LOTTERY IS RAPIDLY NEARING

Men Will Be Picked for Service in Army as Soon as Exemption Boards Finish Organization.

(By United Press to the Bend Bulletin)
WASHINGTON, D. C., July 5.—The draft lottery will be staged in the capital on the day following the complete organization of the local exemption boards, it was announced today. Nine million, five hundred thousand registration cards will be ready for the draft. Provost Marshal General Crowder urgently insisted today that boards finish their labors before Saturday night.
