SEVENTH DAY ADVENT LECTURES CONTINUE

The lectures at the Cotton Tabernacle continue, and are well attended. The subjects to be presented, this week will be of special interest to those who wish to know what the Bible teaches regarding the Sabbath question, a question that is becoming a very live and important issue throughout the United States.

Tuesday night—"Why I Keep the Seventh Day."
Wednesday—"Sunday and the New Dispensation."
Thursday—"Who Changed the Day? How? When? Why?"
Friday—"Two Covenants, Which are We Under?"

These lectures ought to prove very interesting, as they will give the people an opportunity to hear for themselves what Seventh Day Adventists actually teach as the tenets of their faith, and their reasons for so believing.
