BEND TOO SMALL.

Any business man in the city of Bend who is unable to buy a dollar membership in the Red Cross is in such circumstances that he needs either the assistance of his friends or that of an association of his creditors. If he has not a dollar he can spare after all the prosperity Bend has enjoyed for months he ought to be working for someone else, not himself.

Any other business man, or any other man, who has a dollar and will not join the Red Cross, ought to be doing the goose-step along with the other Germans.

It is not the dollar that is wanted in this campaign. If it were money the Red Cross were seeking in the present drive it would be forthcoming just as the \$100,000,000 was last summer. It's not the money, but the evidence of good will that is wanted. The evidence that the individual is back of his country in the war on barbarism. Taxation forces everyone to back the government so far as the taxes go. What the Red Cross button means is the volunteer spirit in supporting the war, and that comes only from the willing and the patriotic.

The unwilling and unpatriotic can have no other explanation of their action than a wish to see the United States defeated in the war and Germany victorious. They would see the sons and husbands and fathers of Bend who are now serving beneath the Stars and Stripes left wounded and dead on the battle field, or drowned by a sinking submarine. They would take the protection given them by our country and bought by the denial and sacrifice of the rest of us and batten in contentment while the rest of us bleed.

Bend is a good-sized town, but it is too small to contain the rest of us and that breed.

A DIRTY FLING.

(Harney County News.)

The Oregon Voter, edited by an erstwhile, takes an askant fling at Oregon's junior senator, Charles L. McNary, in the interests of the erstwhile's pocket, because Hon. R. N. Stanfield, Judge McNary's opponent in the primaries for senatorial nomination, has the largest bank account. The News only wants all fairness, and a superficial, shallow camouflage article, couched in language such as the last issue of the Voter contained, does not in the least shed a shadow of fairness.

Oregon's interests would not in the least be jeopardized with either candidate elected to the senate, but when the Voter gives the "back-handed" slap, "that Senator McNary could make more votes by staying out of the state than he could if he were home," the uninitiated citizen rather shies at the remark as well as the candidate. The Voter also tries to "get funny" (?) in endeavoring to ironically remark concerning some of Senator McNary's peculiar characteristics.

Senator McNary's force of character, general adaptation to the honorable position he holds, together with his masterful qualifications and foresight, rapidly won recognition and high esteem among the high counselors of our nation. A distinction infrequently accorded junior senators. Also the junior senator has accomplished more in one term than any other senator from Oregon has in the

past in the same length of time. Thus it will be observed that Senator McNary is not the weakling the Voter editor endeavors to make out.

NOTICE OF SPECIAL ELECTION FOR THE CITY OF BEND.

Notice is hereby given that a special election will be held in the City of Bend, Deschutes County, Oregon, on Friday, to-wit: December 28, 1917, between the hours of 8:00 A. M. and 5:00 P. M., the voting place in said city for said election shall be the hose house, at the corner of Minnesota Avenue and Lava Road.

The Judges and Clerks of said election shall be as follows:

- E. D. GILSON, Chairman,
- W. FERGUSON, Judge,
- J. F. ARNOLD, Judge,
- ASHLEY FORREST, Clerk,
- O. C. HENKLE, Clerk.

Said election is called and held for voting upon the adoption or rejection of three certain measures adopted by the Common Council, and referred by the Common Council to the voters of said city.

To amend Chapter XIX of the City of Bend charter enacted by the legal voters at the special election held November 22, 1911, and as amended at the special elections held August

15, 1916, and April 30, 1917, by adding Section 28 providing for appraisers to place a valuation on property benefited and to be assessed for street and sewer improvements, said valuation to be used as the limit for which application may be filed to bond under the provisions of Section 27 of said chapter in lieu of the valuation shown by the last tax roll of the county.

Vote YES or NO.

300 Yes.

301 No.

II.

Shall Section 1 of Chapter 3 of the Charter of the City of Bend be amended so as to provide for holding city elections at the same time as elections for State and County officials are held, providing that the Mayor and Treasurer of said city shall hold their offices for the term of two years, and members of the Council for a term of four years, and repealing all provisions of the charter and ordinances of said city in conflict therewith?

Vote YES or NO.

302 Yes.

303 No.

Because in the judgment of the Common Council, it will require the sum of \$25,000 economically, and with the requisite efficiency to operate the government of the City of Bend, for the year 1918, and because in order to raise said amount, it will

legal voters of said city voting upon said question, specifically authorize the raising of said amount, for the reason that the same is in excess of the six per cent increase over the tax levy for the year 1916, allowed by the Constitution and laws of the State of Oregon:

"Shall taxes in the amount of \$25,000 be levied upon the taxable property of the City of Bend, for the year 1918?"

Vote YES or NO.

304 Yes.

305 No.

That said proposed measures are printed in pamphlet form by the city and copies delivered to every legal voter in the city, whose address is known, and said pamphlet can also be had at the office of the Recorder of said city upon application.

The general purport of said measures are expressed in the ballot titles therefore adopted by the Common Council, which said title will appear upon the ballot in the foregoing words, respectively.

That said election shall be conducted in all respects in accordance with the Constitution and laws of the State of Oregon, and the charter and ordinances of the City of Bend.

By order of the COMMON COUNCIL OF SAID CITY OF BEND,

Dated at Bend, Oregon, this 17th day of December, 1917.

H. C. ELLIS, Recorder.
