him and make sure. Whether you see the income tax man or not, you must make return if subject to tax.

Of course, persons resident in other counties may, if they want to, come and see the income tax man, who will be here on the date above mentioned.

The collector suggests that everybody start figuring up now his income and expenses so as to be ready with the figures when the expert arrives. Expenses, however, don't mean family expenses, money used to pay off the principal of a debt, new machinery, buildings, or anything like that. They mean what you spend in making your money—interest, taxes paid, hired help, amount paid for goods sold, seed, stock bought for feeding, rent (except for your dwelling), etc. Income includes about every dollar you get.
