**LA FOLLETTE WANTS CHARGES WITHDRAWN**

Attorney Says There is No Evidence That Wisconsin Senator is Disloyal.

(By United Press to The Bend Bulletin.)  
WASHINGTON, May 21.—Senator La Follette has demanded that the Senate committee on privileges and elections dismiss the disloyalty charges filed against him by the Minnesota public safety commission. It is asserted through his attorney that there was nothing disloyal in La Follette's St. Paul speech when he declared that the United States did not have sufficient grievances to warrant a declaration of war.

**ENTIRE POLICE FORCE JOINS MARINE CORPS**

PHILADELPHIA, May 21.—Ever hear of a town so quiet and orderly that the entire police force, in order to get something to keep them busy, enlisted in the Marine corps?  
That is the case of the little town of Mauch Chunk, Pa., which recently waved a fond farewell to its whole police department without a quail of fear for its own safety as the men left for Paris Island, S. C., the Marine corps training camp.  
The force consisted of four able-bodied men—Robert Mader, Clinton Mader, Charles Shutt and Chester Bisby.  
The jail at Mauch Chunk has not been occupied by a prisoner since last Christmas, hence the departure of the guardians of the peace.

**TROUBLE BREWING OVER CONSCRIPTION**

(By United Press to The Bend Bulletin.)  
DUBLIN, May 21.—Outwardly everything is very calm, although the streets are thronged with men discussing the arrests of more than one hundred Sinn Feiners, rendering the organization practically leaderless. New leaders have been appointed, but they are apparently moderates and are not advising forceful resistance of conscription. The government has announced that evidence will soon be published proving that the Sinn Feiners have plotted with Germany.

**RAILROADERS MAY BE DRAFTED TO ARMY**

(By United Press to The Bend Bulletin.)  
PORTLAND, May 21.—Yesterday was the last day for enlistments under the urgent call of the war department for 25 railroad brakemen, flagmen and conductors from Oregon for service in the army. Unless tabulations today show that 25 Oregon men have volunteered, enough to make up the quota will be drafted at once from class 1 and classes 2 and 3 if necessary.

**SUMMER RATES ARE ADVERTISED**

(By United Press to The Bend Bulletin.)  
SEASIDE, Ore., May 21.—Despite the word from Salem recently that summer rates would not be offered by the railroads, all Oregon railroads offered a special rate of one and one-third fare from all points east and south of Portland to Seaside today because of the Odd Fellows' state encampment that opened here. The S. P. & S. ran a special train here from Portland.

**ALFALFA SHEEPMEN SHEAR THEIR FLOCKS**

ALFALFA, May 21.—The Sloan sheep and those of the Johnston ranch have been sheared. A truck from Bend hauled the wool to the warehouse.  
Mrs. Fred Schmitt and daughter Margaret, who has been traveling for the past four years, returned to their home in Alfalfa Saturday.  
Gustave Berry, who is employed at Powell Butte, was visiting with home folks Sunday.  
Mrs. C. Holloway has been quite ill with measles, but is improving.  
Mr. and Mrs. Wm. Ferry received a box of flowers from their son Ralph in France.  
Mrs. Albert Shultz conducted the seventh and eighth grade examinations Thursday and Friday. The applicants were: Cecil Holloway, eighth grade; Goldie Ferry and Donavan Smock, seventh grade.  
Wm. Ferry and family attended the track meet in Prineville Saturday.  
The Jolly Neighbors will meet with Mrs. Mary Benn Wednesday afternoon and more Red Cross work undertaken.  
Wm. Wilson of Powell Butte was looking after his interests in Alfalfa Thursday.  
Frank Tatti has seeded eight acres to alfalfa and made other improvements on his own place.
