WILD DUCKS SHOT IN BEND, COMPLAINT

Bodies Found Floating in River—Ducks Had Already Started Nesting, Says ex-Game Warden.

That ducks swimming in the river just above the Bend Water, Light & Power Co. dam have been shot in the last two days by game law violators was the complaint made today by John Cunningham, formerly deputy game warden in this section. Mr. Cunningham found the bodies of several wild fowl floating in the river close to shore yesterday.

"It's not an ordinary game law violation, either," Mr. Cunningham said, "for the mating season has started and the ducks had started nesting in the very heart of the city. I have been watching them for the last week. It is no exaggeration to

say that the killing of these few ducks really means about two dozen less wild fowl for the coming season."

MOVIE MAN HALTS BERLIN FIGHTING

Spartacan Rioters and Government Troops Cease Firing When Yankee Crosses Street with Camera.

(By United Press to The Bend Bulletin.)
BERLIN, March 3.—Battles between Spartacus rioters and government troops in the principal streets of Berlin had to stop several times to enable an American movie man to set up his camera.

The movie man was a chap in uniform who had been taking reels of the battlefront in northern France. He followed the Yankees into Coblenz and then set out for Berlin to complete his series of pictures there.

Eye witnesses tell with amazement how this movie man took his reels of revolutionizing in Berlin. Perhaps his most daring feat was to get the details of the machine gun engagement in Wilhelmstrasse from both angles.

The movie man started out crank-
