BUY NOW.

Bend has made a good start on the
Victory loan subscription. More
than \$48,000 has already been volun-
teered, by far the greater part of
this from within Bend, representing
more than one-third of the city
quota of \$125,000. Undoubtedly the
rest of the city quota will be taken
in a short time. The record set by
the Brooks-Scanlon logging camps
may not be beaten, but it should be,
at least, equalled.

Patriotism alone should be suf-
ficient incentive to buy to the limit
of one's personal means at once. The
spirit of thanksgiving over what we
have achieved should produce subscrip-
tions. The obligation of staying
with the job until it is finished
and of showing the boys still in
France and Germany that our dollars
still are back of them are other
reasons.

Remember that you have not ob-
tained your honorable discharge from
your war-time duties as a patriotic
American citizen until you have sub-
scribed. Subscribe at once.

map. Judge N. G. Wallace of Crook
explained the condition his people
are confronted with.

Heavy Traffic Points Need.

The only road from Prineville to
the densely populated section of the
county has a 22 per cent. grade and
a clay roadbed. There are four tons
of mail going over the road every
day when mail can be moved. Some-
times it takes six or eight horses to
get through with the mail. Forty-
two per cent. of the value of the
county is in this mountain-locked
section with its one poor road. The
county has spent \$80,000 on the
present road and still cannot keep
it open. The new road, which may
be called the Bennett highway, runs
32 miles south and east of Prineville
to the Shorty Davis ranch.
The road follows Crooked river
and will be on a water grade. It will
cost about \$95,000 and as a post
road project the government can co-
operate for half the amount. At
Prineville the road goes on 10 miles
to the Deschutes county line, and is
then only a few miles from Redmond.

Lake to Bend to Limit.

For Lake county the state will put
up \$200,000, the county will bond
itself for \$200,000, which is its limit,
and the government will be asked
to contribute \$400,000. The con-
templated road improvements in
Klamath will cost an estimate of
\$861,980. The county will turn
over \$20,000 now on hand, and bond
itself for \$360,000, and the Indian
department will give at least \$25,000,
as the road will go through the
reservation. The rest of the money
necessary will be raised by the state
and the government.

The plan calls for development of
the 105 miles from Klamath Falls
to Lakeview, which will cost \$557,-
674 for the Lake end and \$224,594
for the Klamath end. There is 130
miles of road projected from Lake-
view to the north county line, which
road will connect in Deschutes county
and continue on to Bend. From
Lakeview south to New Pine creek,
connecting with the highway in Cali-
fornia, is 15 miles, to improve which
will cost \$38,159.

In Klamath the policy calls for
building a road from Klamath Falls
to the north county line, 118 miles,
at an estimated cost of \$369,688, and
a road from Klamath Falls south-
ward toward Ager, tapping the Cali-
fornia line, with a distance of 30
miles, estimated as costing \$213,527.

Exception for Crook.

These roads, the one north from
Lakeview and the one north from
Klamath Falls, when extended will
converge near La Pine and will be
the southern forks of The Dalles-California
highway, although officially the road to Klamath Falls is
designated as The Dalles-California
highway and the one to Lakeview
is designated as the La Pine-Lake-
view highway.

For the first time since its organi-
zation the state highway commission
stepped aside from its rigid policy
of confining work to roads on the
state road map. The exception was
made for Crook county, where an un-
usual condition exists.

**PLAINVIEW SCHOOL
TO CLOSE TUESDAY**

PLAINVIEW, April 17.—At a
school board meeting held with Mrs.
A. E. Hoss last Tuesday evening a
decision was reached to have the
school close Tuesday, April 22, ac-
cording to regular schedule. The
principal reason for not making up
time lost during the influenza epi-
demic was a lack of funds in the
treasury. It is hoped that a regular
nine months' schedule will be chosen
at the general school meeting to be
held in June.

Mrs. Emma Patterson spent sev-
eral days with Mrs. C. F. Chalfan
the past week.

F. W. Leverenz hauled seed rye
to Redmond last week.

Miss Connie Knickerbocker, who
was ill at her home for about a week,
has returned to school at Bend.

Mr. and Mrs. A. W. Armstrong
were callers in Sisters on Wednesday.

Sterlie Fryrear of Cloverdale was
riding in Plainview last Thursday
looking for some of his cattle.

Miss Lola Marlon of Tumalo is
working at the Elkins home. Mrs.
Elkins is recovering nicely from her
recent operation.

Mrs. Louzetta Pulliam was a caller
at the Gorking home recently.

Mrs. H. T. Hartley was ill with a
severe cold several days recently.

A. W. and Ray Armstrong have
been working on the May place the
past week. They will move to the
place in a few days.

Prentiss Van Tassel was a caller
in Bend Monday. His son Glenn re-
turned home with him. Glenn has
been in Portland under the care of
an eye specialist for several months
and returns in fine condition.

C. F. Chalfan served on the jury
last week.

John McKinney and Jim Pulliam
have been grubbing sagebrush on
their new place, purchased recently
from F. W. Leverenz.

Mr. and Mrs. M. W. Knickerbocker
and family were in Bend Saturday,
returning to their home Sunday.

G. W. Bales of Tumalo was a
Plainview caller Saturday.

Mr. and Mrs. Homer Conlee and
family of Sisters have been spending
several days with the Armstrongs.

F. W. Leverenz has closed a deal
with H. T. Hartley, trading his desert
land for a house and 10 acres of cul-
tivated land in Hood River. Mr. and
Mrs. Leverenz will move to Hood
River in the near future.

Mr. and Mrs. A. W. Armstrong
and son Ray, Wilma Bennett and Mr.
and Mrs. Homer Conlee and little
sons were guests at dinner at the
Box A ranch Sunday.

WILL GIVE ALL KIDS
more candy for 5c Friday and Sat-
urday than they ever saw before.
