

The farmer and the business man of this community are partners in the progress or the failure of their community.

—If

they pull together, the progress and prosperity is certain to come.

IF they listen to preachers of class hatred there can only be failure as a result.

VAN VLEET-WHITMORE NUPTIALS ARE HELD

Brother and Sister Attend Bride and Groom in Quiet Wedding at L. L. Fox Home.

Miss Eleanor B. Whitmore, for two years chief deputy in the county clerk's office, and Wilmer Van Vleet, recently discharged from the U. S. army, were the principals in a Sunday evening wedding at the home of Mr. and Mrs. L. L. Fox of this city. The ring service was used by Rev. H. C. Hartranft of the Presbyterian church.

Miss Marie Fox was bridesmaid and her brother, Leroy Fox, was groomsmen. Only intimate friends attended the ceremony.

Mr. and Mrs. Van Vleet will make their home in Bend, where Mr. Van Vleet is employed in one of the mills.

PUPILS MAY SECURE HAND GRENADE BANK

Children Under 10 Must Have War Saving Stamp Bought With Own Money, in Order to Qualify.

Official notice from the treasury department has been received at the office of the city superintendent of schools, to the effect that one hand grenade bank may be secured at the opening of schools in September, by any pupil, ten years old or younger, who exhibits one War Saving stamp and if more than ten years old, two War Savings stamps, purchased with money earned during vacation, and who brings with it the story showing how the money was earned. It is hoped that a number of the pupils in the Bend schools will qualify in this contest.

The Merit of a Book. The crowning merit of a book must always be its practical usefulness. If it makes you more cheerful, or more amiable, or more pitiful, or more appreciative of what is beautiful, or more resolute to follow what is good and noble, then the highest purpose of a book is gained.—David Pryde.

INTEREST IS SHOWN IN CASTING CONTEST

Fishermen Look Forward to Events to be Held on the Fourth of July—Special Prizes Awarded.

Rod and gun club members of Bend are looking forward with especial interest to the fly casting contest which will be staged here as one of the features to the Fourth of July celebration. Two distinct contests, each open to all will be put on, one being for distance, the other for accuracy.

Forty dollars has been set aside for the prizes, and it is understood will be expended in various anglers' accessories, to be awarded at the end of the competition.

will take possession at once and will commence building immediately with the view to establishing a modern dairy.

The ranch which Mr. Peterson has just sold came into his possession 3 years ago for a consideration of \$8,000, while three years before that time it had sold for \$5,500. The last sale of the property was made through J. B. Miner.

Mr. Peterson plans to go east to take charge of the settling of a large estate and after that work has been completed will return to Bend.
