TRAINING COMPLETED AT EASTERN CAMP

(Continued from Page 1.)

Dempsey and Willard locked the gates to their camps today and settled down to rest and eat prior to the big test. No one was allowed within the silent enclosures where the gladiators were girding themselves. Each was busily making up for lost time in eating of meat and other strengthening foods. The drying-out process having ended, the fighters are now taking on weight. A great deal of propaganda regarding Willard's weight has been distributed, but he probably will enter the ring weighing more than 240 pounds. It would not be surprising if Dempsey's weight were announced as high as 205, a great thing for him if he can accomplish that without fattening himself.

MILLION MEN TO QUIT JOBS

(Continued from Page 1.)

shoresmen are all on record for the strike in various sections. The strikers will remain out for four days as a protest against Mooney's conviction. If a new trial is not granted they will quit again on Labor day for another four day period.

TACOMA UNIONS TO QUIT.

TACOMA, July 2.—Indications are that the Mooney strike, set for July 4, will be widespread here. All the unions in the basic industries, including shipyard workers, have voted to walk out in Mooney's behalf, according to reports given out at the Labor Temple.
