THURSDAY, JULY 31, 1919.

THE CIRCLE.

Apparently there's no telling where this price business is going to stop, but if things keep on as they are going now it will never stop. In the news today is an item reporting that railroad men are seeking "very substantial increases" in wages. If they are granted, the railroads will then require "very substantial increases" in freight rates in order to meet the higher wages. "Very substantial increases" in freight rates will cause "very substantial increases" in the cost of things moved by freight and that in turn will mean "very substantial increases" in the cost of living. Then "very substantial increases" in wages will be sought again to meet the higher cost of living, and the whole circle will be gone around again.

Some time the circle must break at the point where someone is getting too high a profit. We do not pretend to know where that point is, but we trust that the break may come quickly.

Mrs. Major Threatened

to leave her husband if he lied to her. He took the chance and for a while "got away with it." But the "jinx" soon caught up with him and made him wish—well, just wait till

Friday, August 8.

Rest the Eyes.

Look up every once in a while from your work and lay it down for a minute or two now and then, and let your interest focus on more distant things. Thus you will give the eyes a little rest by focusing in another position.

If Your Husband

stayed out all night, and on his return told a very improbable tale, which happened to be true, would you disbelieve him? Then when he lied to square himself, would you believe him?

Friday, August 8.

Laugh and Grow Fat.

You'll surely do it. When the other fellow gets into hot water, it's fun. When we step into his shoes, it's—well—something else. Just save this date.

Friday, August 8.

Put it in "THE BULLETIN."

You are the only one who can attend to your home—

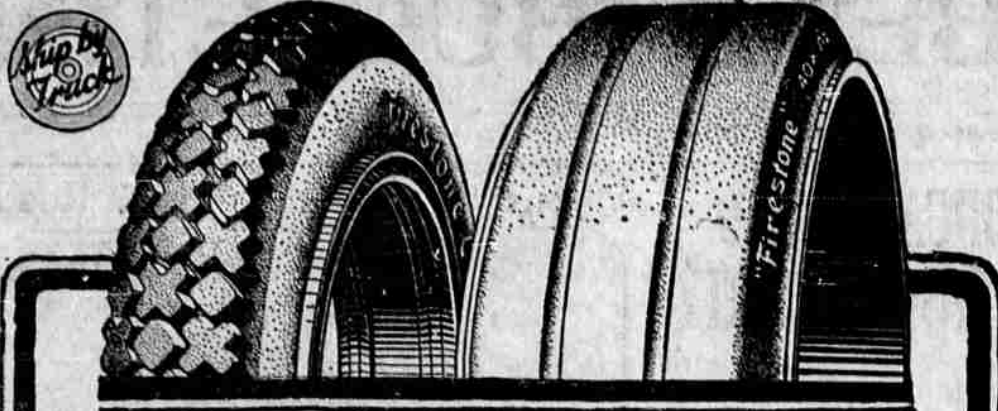

And your home, your family, is your first duty.

You should not, therefore, do things outside your home which someone can do better and cheaper than you can yourself.

We are thinking especially of excessive grocery "shopping" and carrying home a heavy basket.

There's no need for you to rob your home of your attention by doing these things, because at our store we do them for you—and at no additional cost to you.

F. DEMENT & CO.

Firestone First

We want to bring to your attention these facts about Firestone:

- First to build truck tires—
- First to build the channel type of truck tires—
- First to build removable truck tires—
- First to build the cup cushion truck tire—
- First to build a complete line of tires for all commercial vehicles—
- First to build a successful giant truck tire—
- First with a practical, efficient giant cord tire equipment, including demountable rims—
- First to establish 600 dealers with hydraulic press and service facilities in leading cities throughout the United States.

The only manufacturer that makes the tire and rim complete,

RESULT: Over half the truck Tonnage of America is carried on Firestone Tires.

Our truck-tire service—in completeness, speed and dependability—also ranks **FIRST**. We watch your truck tires, help you get the most miles of service, suggest the correct tire for your trucking when a change is required and make the change with least delay. See us.

CENT-ORE MOTOR CO.
BEND, OREGON

POUND NOTICE.

Notice is hereby given that the City of Bend has taken up the following described livestock, to-wit: One red roan mare, white stripe in face, brands X right shoulder and 75 left quarter; one bay mare, black feet and tail, white stripe in face, branded HB connected left shoulder, has bell on. The cost of redeeming said livestock will be \$1.00 per day and cost of advertising. In case of failure to redeem on part of owner said livestock will be sold as provided by the charter of the City of Bend on the 8th day of August at 3 p. m. at the city pound.
(A)—47-54c L. B. KENNEDY, Poundmaster.

RESOLUTION OF INTENTION.

To improve the north side of Oregon avenue from Wall street to the alley east of Wall street, which improvement shall be known as Improvement Number 20 in said city of Bend.

Whereas, the council deems it expedient and necessary to improve the north side of Oregon avenue from Wall street to the alley east of Wall street of the city of Bend;

Whereas, heretofore the council did require from the city engineer plans and specifications for the proposed improvement and estimates of the work to be done and the probable cost thereof; and

Whereas, upon the council so doing, the city engineer did therefore prepare the same and file such plans, specifications and estimates in the office of the recorder; and

Whereas, the council has examined such plans, specifications and estimates and now finds such plans, specifications and estimates to be satisfactory;

Now, therefore, be it resolved by the council of the city of Bend:

That the aforesaid plans, specifications and estimates be and the same hereby are approved; and

Be it further resolved, that the council declares its purpose of making said improvement, to-wit:

North side of Oregon avenue from Wall street to the alley east of Wall street of the city of Bend, which improvement consists of the construction of 12-foot cement walks constructed to the established grade and the probable cost thereof being as follows:

Cement walk, 1680 sq. feet at 22c per foot..... \$ 369.60
Engineering and supervision, 5%..... 18.48

Total cost..... \$ 388.08

Be it further resolved, that this resolution of the common council declaring its purpose to improve aforesaid street shall be kept on record in the office of the recorder;

Be it further resolved, that the recorder do and he is hereby instructed to give notice of the passage of this resolution by causing same to be published at least once in a newspaper published in the city;

Be it further resolved, that the city engineer do and he is hereby instructed within five days of the first publication of this resolution to cause to be conspicuously posted at each end of the contemplated improvement a notice, headed "Notice of Street Improvement," which notice shall contain in legible characters a copy of this resolution showing the date of its adoption, and upon his so doing the city engineer shall file with the recorder an affidavit of the posting of said notice, stating therein the date and place where the same have been posted.

Passed by the common council this 21st day of July, 1919, by the following vote:

Yeas—McPherson, Benson, Sutherland, Payne, Magee.
Nays—None.

place where the same have been posted.

Seven Reasons Why There Should Be An Electric Range in Every Bend Home.

1st—Saving of time, labor and fuel.

2nd—Meats, vegetables and other foods retain natural flavors when cooked on an ELECTRIC RANGE that are otherwise lost in vapors when subjected to uneven heats produced by wood, coal or gas ranges.

3rd—Get out of bed, turn the button and breakfast is started while you are dressing.

4th—No dirt, no ashes, Mother's work is easier and her disposition is happier and her days are longer.

5th—A blessing when days are hot; cook on an Electric Range and you do not realize there is any heat in your kitchen.

6th—Very low rates maintained by the Bend Water, Light & Power Co. put all the comforts of the ELECTRIC RANGE in reach of all.

7th—Cleanliness, ease, comfort and the fact that Mother's burdens are lightened should be the main reasons for an Electric Range.
