LEGAL NOTICES

NOTICE TO CONTRACTORS.
State Highway Construction.
Sealed bids will be received by the state highway commission of the state of Oregon at room 520 Multnomah county court house, Portland, Oregon, at 10 o'clock a. m. on the 5th day of August, 1919, for the following project:
DESCHUTES COUNTY.
From Bend north on The Dalles-California highway to the Jefferson county line, 23.9 miles, grading 68,900 cubic yards excavation.

No bid will be considered unless accompanied by cash, bidder's bond or certified check for an amount equal to five (5) per cent. of the total amount bid.

A satisfactory bond will be required for the faithful performance of the contract in a sum equal to one-half of the total amount bid. Proposal blanks and full information for bidders may be obtained at the office of the state highway engineer, Capitol building, Salem.

Plans and specifications and form of contract may be inspected at the same place or may be obtained upon deposit of \$5.00 for each set of plans and specifications. Plans and specifications are also on file at room 1301 Yeon building, Portland.

Plans and specifications for the work in Deschutes county may be inspected at the office of Mr. M. O. Bennet, division engineer, Pendleton.

The right is reserved to reject any or all proposals or to accept the proposal deemed best for the state of Oregon.

OREGON STATE HIGHWAY COMMISSION.
W. L. THOMPSON, Commissioner,
S. BENSON, Chairman,
R. A. BOOTH, Commissioner.

Attest:
HERBERT NUNN,
State Highway Engineer.
Salem, Oregon, July 20, 1919. 47-49c

RESOLUTION OF INTENTION.
To improve the south side of Greenwood avenue between Wall street and the alley east of Wall street, also south side of Greenwood avenue opposite the easterly 32.4 feet of lot 1, block 13, plat of Bend, also north side of Greenwood avenue opposite blocks 23 and 24, plat of Bend, which improvement shall be known as Local Improvement Number 19.

Whereas, the council deems it expedient and necessary to improve Greenwood avenue on the south side between Wall street and the alley east of Wall street, also south side of Greenwood avenue opposite the easterly 32.4 feet of lot 1, block 13, plat of Bend, also north side of Greenwood avenue opposite blocks 23 and 24 of the plat of Bend;

Whereas, heretofore the council did require from the city engineer plans and specifications for the proposed improvement and estimates of the work to be done and the probable cost thereof; and

Whereas, upon the council so doing, the city engineer did therefore prepare the same and did file such plans, specifications and estimates in the office of the recorder; and

Whereas, the council has examined such plans, specifications and estimates and now finds such plans, specifications and estimates to be satisfactory;

Now, therefore, be it resolved by the council of the city of Bend that the aforesaid plans, specifications and estimates be and the same hereby are approved; and

Be it further resolved, that the council declares its purpose of making the said improvement, to-wit: Bond street from Minnesota avenue to Franklin avenue in the city of Bend, which improvement consists of the construction of 12-foot cement walks constructed to the established grade and the probable cost thereof being as follows:
Cement walk, 3864 sq. feet at 20c per foot. \$ 772.80
Engineering and supervision, 5% 38.64
Total cost. \$ 811.44

Be it further resolved, that this resolution of the common council declaring its purpose to improve aforesaid street shall be kept on record in the office of the recorder.

Be it further resolved, that the recorder do and he is hereby instructed to give notice of the passage of this resolution by causing same to be published at least once in a newspaper published in the city;

Be it further resolved, that the city engineer do and he is hereby instructed within five days of the first publication of this resolution to cause to be conspicuously posted at each end of the contemplated improvement a notice, headed "Notice of Street Improvement," which notice shall contain in legible characters a copy of the resolution showing the date of its adoption and upon his so doing the city engineer shall file with the recorder an affidavit of the posting of said notice, stating therein the date and place where the same have been posted.

Passed by the common council this 21st day of July, 1919, by the following vote:
Yeas—McPherson, Benson, Sutherland, Payne and Magee.
Noes—None.
Submitted to the mayor, July 21, 1919.

Approved by the mayor, July 21, 1919.

J. A. EASTES, Mayor.
Attest: D. H. PEOPLES, Recorder. 46c

RESOLUTION OF INTENTION.
To improve Wall street opposite block nine (9) and block eleven (11) of the plat of Bend, to be

known as Improvement Number 17 in said city of Bend.

Whereas, the council deems it expedient and necessary to improve Wall street opposite block nine (9) and block eleven (11) of the plat of Bend;

Whereas, heretofore, the council did require from the city engineer plans and specifications for the proposed improvement and estimates of the work to be done and the probable cost thereof; and

Whereas, upon the council so doing, the city engineer did therefore prepare the same and did file such plans, specifications and estimates in the office of the recorder; and

Whereas, the council has examined such plans, specifications and estimates and now finds such plans, specifications and estimates to be satisfactory;

Now, therefore, be it resolved by the council of the city of Bend that the aforesaid plans, specifications and estimates be and the same hereby are approved; and

Be it further resolved, that the council declares its purpose of making the said improvement, to-wit: Wall street opposite block nine (9) and block eleven (11) of the plat of Bend, which improvement consists of the construction of 12-foot cement walk constructed to the established grade and the probable cost thereof being as follows:
Cement walk, 7752 sq. feet at 22 1/2c per foot. \$1744.20
Engineering and supervision, 5% 87.21
Total cost. \$1831.41

Be it further resolved that this resolution of the common council declaring its purpose to improve aforesaid street shall be kept on record in the office of the recorder;

Be it further resolved, that the recorder do and he is hereby instructed to give notice of the passage of this resolution by causing same to be published at least once in a newspaper published in the city;

Be it further resolved, that the city engineer do and he is hereby instructed within five days of the first publication of this resolution to cause to be conspicuously posted at each end of the contemplated improvement a notice, headed "Notice of Street Improvement," which notice shall contain in legible characters a copy of this resolution showing the date of its adoption and upon his so doing the city engineer shall file with the recorder an affidavit of the posting of said notice, stating therein the date and place where the same have been posted.

Passed by the common council this 21st day of July, 1919, by the following vote:
Yeas—McPherson, Benson, Sutherland, Payne, Magee.
Noes—None.
Submitted to the mayor, July 21, 1919.

J. A. EASTES, Mayor.
Attest: D. H. PEOPLES, Recorder. 46c

RESOLUTION OF INTENTION.
To improve the west side of Bond street from Minnesota avenue to Franklin avenue, to be known as Improvement Number 18, in the city of Bend.

Whereas, the council deems it expedient and necessary to improve Bond street from Minnesota avenue to Franklin avenue in the city of Bend;

Whereas, heretofore the council did require from the city engineer plans and specifications for the proposed improvement and estimates of the work to be done and the probable cost thereof; and

Whereas, upon the council so doing, the city engineer did therefore prepare the same and did file such plans, specifications and estimates in the office of the recorder; and

Whereas, the council has examined such plans, specifications and estimates and now finds such plans, specifications and estimates to be satisfactory;

Now, therefore, be it resolved by the council of the city of Bend that the aforesaid plans, specifications and estimates be and the same hereby are approved; and

Be it further resolved, that the council declares its purpose of making the said improvement, to-wit: Bond street from Minnesota avenue to Franklin avenue in the city of Bend, which improvement consists of the construction of 12-foot cement walks constructed to the established grade and the probable cost thereof being as follows:
Cement walk, 16,350 square feet; \$ 3270.00
Cinder roadway, 1658 cubic yards; \$ 165.80
12" vitrified tile sewer, 260 feet; \$ 260.00
Catch basins, 2 \$ 40.00
Estimated cost of the above is \$3735.80

The work must be completed within 60 days of the acceptance of the contractor's bond.

Bidders will be supplied with a blank proposal form upon application, which form must be filled out and submitted, sealed, before noon, August 8, 1919.

The City of Bend reserves the right to reject any and all bids.

D. H. PEOPLES,
City Recorder.

NOTICE TO CONTRACTORS.
Bend, Oregon, July 21, 1919.
Notice is hereby given that pursuant to Ordinance No. 143, passed by the city council of the City of Bend, Oregon, on the 21st day of July, 1919, the said city council intends to cause West Fifth Street, in the City of Bend, to be improved as set forth in said ordinance, and further intends to let a contract for the work and material of said improvement to the lowest responsible bidder.

Notice is further given that sealed bids will be received by the recorder of the City of Bend at his office in the Court House building, Bend, Oregon, up to the hour of 12 o'clock noon of the 8th day of August, 1919, for furnishing all the material and labor and constructing complete and ready for public use Local Improvement Number 12, consisting of the improvement of West Fifth Street from Newport Avenue to Saginaw Avenue in the manner set forth in the plans and specifications provided for the same.

Plans and specifications for the above improvement are available to contractors and may be found on file in the office of the city engineer in the O'Kane building, Bend, Oregon. Any contractor contemplating a bid on the work, however, will be supplied with a copy of the plans and specifications by making a deposit of \$10.00 with the city engineer, which deposit will be returned to him upon the return of the plans and specifications in good condition.

An approximate list of the quantities involved in the work is as follows:
Rock excavation, 24 yards;
Earth grading, estimated cost, \$142.00;
Cinder roadway, 414 cubic yards;
1 culvert.
Estimated cost of the above is \$605.20.

The work must be completed within 60 days of the acceptance of the contractor's bond.

Bidders will be supplied with a blank proposal form upon application, which form must be filled out and submitted, sealed, before noon, August 8, 1919.

The City of Bend reserves the right to reject any and all bids.

Notice is further given that sealed bids will be received by the recorder of the City of Bend at his office in the Court House building, Bend, Oregon, up to the hour of 12 o'clock noon of the 8th day of August, 1919, for furnishing all the material and labor and constructing complete and ready for public use Local Improvement Number 16, consisting of the improvement of Greenwood Avenue from Division Street to Fourth Street in the manner set forth in the plans and specifications provided for the same.

Plans and specifications for the above improvement are available to contractors and may be found on file in the office of the city engineer in the O'Kane building, Bend, Oregon. Any contractor contemplating a bid on the work, however, will be supplied with a copy of the plans and specifications by making a deposit of \$10.00 with the city engineer, which deposit will be returned to him upon the return of the plans and specifications in good condition.

An approximate list of the quantities involved in the work is as follows:
Earth grading, estimated cost, \$90.00;
Cinder roadway, 367 cubic yards. Estimated cost of the above is \$310.20.

The work must be completed within 30 days of the acceptance of the contractor's bond.

Bids must be accompanied by a certified check in a sum of not less than 10 per cent. of the amount bid upon the work.

Bidders will be supplied with a blank proposal form upon application, which form must be filled out and submitted, sealed, before noon, August 8, 1919.

The City of Bend reserves the right to reject any and all bids.

D. H. PEOPLES,
City Recorder.

NOTICE TO CONTRACTORS.
Bend, Oregon, July 21, 1919.
Notice is hereby given that pursuant to Ordinance No. 141, passed by the city council of the City of Bend, Oregon, on the 21st day of July, 1919, the said city council intends to cause Newport Avenue, in the City of Bend, to be improved as set forth in said ordinance, and further intends to let a contract for the work and material of said improvement to the lowest responsible bidder.

Notice is further given that sealed bids will be received by the recorder of the City of Bend at his office in the Court House building, Bend, Oregon, up to the hour of 12 o'clock noon of the 8th day of August, 1919, for furnishing all the material and labor and constructing complete and ready for public use Local Improvement Number 10, consisting of the improvement of Newport Avenue from the west line of the Deschutes river to the west line of West Sixth Street in the manner set forth in the plans and specifications provided for the same.

Plans and specifications for the above improvement are available to contractors and may be found on file in the office of the city engineer in the O'Kane building, Bend, Oregon. Any contractor contemplating a bid on the work, however, will be supplied with a copy of the plans and specifications by making a deposit of \$10.00 with the city engineer, which deposit will be returned to him upon the return of the plans and specifications in good condition.

An approximate list of the quantities involved in the work is as follows:
Clearing, grubbing and removing old walk, estimated cost, \$50.00;
Earth excavation, 420 yards;
Rock excavation, 1028 yards;
Cement curb, 3100 lineal feet;
Cement walk, 16,350 square feet;
Cinder roadway, 1658 cubic yards;
12" vitrified tile sewer, 260 feet;
Catch basins, 2 \$ 40.00
Estimated cost of the above is \$12,116.40.

The work must be completed within 60 days of the acceptance of the contractor's bond.

Bidders must be accompanied by a certified check in a sum of not less than 10 per cent. of the amount bid upon the work.

Bidders will be supplied with a blank proposal form upon application, which form must be filled out and submitted, sealed, before noon, August 8, 1919.

The City of Bend reserves the right to reject any and all bids.

D. H. PEOPLES,
City Recorder.

NOTICE TO CONTRACTORS.
Bend, Oregon, July 21, 1919.
Notice is hereby given that pursuant to Ordinance No. 144, passed by the city council of the City of Bend, Oregon, on the 21st day of July, 1919, the said city council intends to cause Drake Road, in the City of Bend, to be improved as set forth in said ordinance and further intends to let a contract for the work and materials of said improvement to the lowest responsible bidder.

Notice is further given that sealed bids will be received by the recorder of the City of Bend at his office in the Court House building, Bend, Oregon, up to the hour of 12 o'clock noon of the 8th day of August, 1919, for furnishing all the material and labor and constructing complete and ready for public use Local Improvement Number 13, consisting of the improvement of Drake Road from Newport Avenue to the angle in Drake Road located 105 feet west of the west line of West Sixth Street in the manner set forth in the plans and specifications provided for the same.

Plans and specifications for the above improvement are available to contractors and may be found on file in the office of the city engineer in the O'Kane building, Bend, Oregon. Any contractor contemplating a bid on the work, however, will be supplied with a copy of the plans and specifications by making a deposit of \$10.00 with the city engineer, which deposit will be returned to him upon the return of the plans and specifications in good condition.

An approximate list of the quantities involved in the work is as follows:
Clearing, grubbing and removing old walk, estimated cost, \$30.00;
Earth excavation, 2529 cubic yards;
Loose rock excavation, 58 yards;
Solid rock excavation, 83 yards;
Hand laid wall, estimated cost, \$75.00;
Cinder roadway, 904 cubic yards;
Cement curb, 3000 lineal feet;
Cement walk, 8080 square feet.
Estimated cost of the above is \$5819.45.

The work must be completed within 60 days of the acceptance of the contractor's bond.

Bids must be accompanied by a certified check in a sum of not less than 10 per cent. of the amount bid upon the work.

Bidders will be supplied with a blank proposal form upon application, which form must be filled out and submitted, sealed, before noon, August 8, 1919.

The City of Bend reserves the right to reject any and all bids.
