TENNIS SINGLES
STARTING TODAY

Famous Players of United States
and Australia Gather at
Long Island Courts.

[By United Press to The Bend Bulletin.]
NEW YORK, Aug. 25.—On the
courts of the West Side Tennis club
at Forest Hills, L. I., there started
to-day the greatest tournament for
the tennis singles championship of
the United States ever known.

Not even in the days of interna-
tional cup competition when the il-
lustrious Norman E. Brookes and his
partner, the late Anthony Wilding,
came here to engage Williams, Mc-
Loughlin and other famed stars of
the American turf court, did interest
mount higher peaks than it has
reached in anticipation of the forth-
coming matches. The reason for in-
terest isn't hidden far. There is the
relaxation from war-strain, which
kept tennis tourneys for the last few
years very tame affairs. And then
there is the visit of the famous Aus-
tralians—Brookes, again; Randolph
Lycett, R. V. Thomas, and Gerald
Patterson.

BRITISH ABANDON
FRENCH ARMY BASE

Only 1500 British Troops Now Re-
main to Take Care of Re-
moval of Vast Stores.

[By United Press to The Bend Bulletin.]

ROUEN, France, Aug. 25.—Rouen
has been demobilized by the Brit-
ish, and the historic old Normandy
capital, camouflaged for five years
as "Army Post Office No. 2," and
the British advanced base through-
out the war, has been abandoned to
the French. Only about 1,500 Brit-
ish troops, mostly Indians, remain
to guard and supervise the removal
of the last of the vast British army
stores. Rouen for nearly five years
had less than fifty thousand British
troops quartered in the vicinity. It
was the Record Office headquarters,
or "Third Echelon," as it was known
to the B. E. F. British army huts
are being auctioned, and snapped up
eagerly, and in a few weeks only the
British cemetery will be left to re-
mind the citizens of the great British
war base.

AT THE MOVIES

LIBERTY.

The management of the Liberty
Theatre will present for the first
time in this city, beginning tomor-
row and Wednesday, Samuel L.
Rothapfel's first Unit Programme,
pronounced by the critics the great-
est achievement of cinema art. The
Programme consists of six distinct
features and is presented with music
arranged especially for each feature
by Mr. Rothapfel. When given its
premieres, recently, at the Rialto

Theatre, critics pronounced it the
most novel and entertaining presen-
tation ever screened. The Rothapfel
Unit Programme will be given a
special presentation and the manage-
ment of the Liberty Theatre recom-
mends that his patrons take ad-
vantage of the opportunity offered to
see the first complete programme
of pictures ever presented under the
banner of the same producer.
The Rothapfel Programme is an
innovation in motion pictures. It is
a program-unit, an evening's enter-
tainment in itself. The Tuesday and
Wednesday unit includes the follow-
ing "The Wood of Fair Water,"
"The Last Hour," "False Gods" and
"Wild Flowers." "The Wood of
Fair Water" in an immortalization of
the famous achievement of the
Marines at Belleau Wood.

GRAND.

In "The Woman Michael Married,"
her latest production at The Grand
Theatre tonight, last time, Bessie
Barriscale sustains her reputation
as one of the most versatile actresses
of the screen.

In her brilliant career Miss Bar-
riscale has created many diversified
characterizations, from the base so-
ciety woman to the "slavery" among
crooks, but this is the first time she
has been called upon to do the An-
nette Kellermann stunt.

As Mira Sacky, the blonde star is
seen as a professional swimmer who
possesses, in addition to her "shape"
and aquatic talents, a remarkably
beautiful voice and an ambition to
cultivate it and become a great
singer. Saving the life of a child,
