

## STRIKE VOTE TO BE TAKEN BY SHOPMEN

FOUR-CENT INCREASE FAILS TO PLEASE.

## DECISION IS AWAITED

Wilson's Offer of Compromise and Appeal to Patriotism of Workers Makes No Change in Union's Attitude.

[By United Press to The Bend Bulletin.] WASHINGTON, D. C., Aug. 26.—A new strike vote by 500,000 railway shopmen on President Wilson's proposition for a four cent an hour wage increase, was ordered today by president Jewell, of the railway employes department of the American Federation of Labor.

WASHINGTON, D. C., Aug. 26.—The government's concessions to the other railroad unions will be approximately the same as those made in favor of the shopmen, Director General Hines indicated today.

The nation is anxiously awaiting the reply of organized labor to President Wilson's appeal for a truce in industrial disputes. Early developments are scheduled from the railway shopmen whose demands were the immediate cause of the president's appeal.

Wilson offered them four cents an hour instead of from 17 to 27 cents as they had demanded, and accompanied the offer by appealing to their patriotism to forego demands for wage increases until normal conditions are restored.

Wilson's appeal is generally viewed here in regard to its effect on organized labor as a whole. Railroad administration officials have made no attempt to minimize the seriousness of the whole situation.

The dispatches, which appeared in today's papers, accuse the Germans of massacres, and wholesale deportations of able-bodied men for work in the devastated areas of France and Belgium. There also has been a systematic effort, the correspondents charged, to discredit the Poles, and drive them out of Silesia, thus insuring the success of the plebiscite which will determine the ultimate nationality of the province.

The correspondents gave details of five shootings at Myszowitz, 40 executions at Grossdombrowka, and 48 at Fiedzienshutte.

## OREGON BOY FACES TRIAL FOR MURDER

Parents of 19-Year-Old Hugh Moore to Attempt to Set Up Mental Deficiency Defense.

[By United Press to The Bend Bulletin.] SAN LUIS OBISPO, Cal., Aug. 26.—Hugh Moore, 19-year-old farmer lad of Rogue River, Ore., faced trial here today on a charge of complicity in the murder of David Morehouse, night watchman at Paso Robles. His parents are here from Jackson county, Oregon, for the trial, and they have implicit faith in their ability to show their son was merely the victim of bad companionship.

Moore was arrested with Seth Burt, alias Edward Langdon, 22, after Morehouse had been shot by the two men he found burglarizing a Paso Robles store. Burt, insisted from the time of his arrest that he shot Morehouse, and that Moore, while with him in the robbery venture, fired no shots.

A defense of mental deficiency will be entered, it being contended that Moore was a good boy, working on his father's farm until he suffered an injury in a runaway. After that, he ran away to Medford, met Burt, who was known in Medford as Langdon, and got into trouble through his companion, a youth regarded by authorities as a brainy criminal.
