PIONEER GARAGE CO. RECEIVES
BEAUTIFUL CAR — DETAILS
SHOW FINE WORKMANSHIP—
MORE TO COME SOON.

Beautiful in every respect is the new Essex sedan, driven to Bend yesterday by H. S. Royce, of the Pioneer Garage. This is the first closed car of this make ever seen in Bend and is attracting considerable attention among motor fans today.

The new Essex is a model of perfection in every detail. It's straight lines give it the appearance of great strength and simplicity. It's upholstering, gray in color, is of the finest material. It is electric lighted. The new closed vehicle is to be seen at the Pioneer Garage.

According to Mr. Royce the Pioneer Garage has been promised a car load of Essex cars this month, the first to be received this fall.
