The **OLYMPIC** HOUSEHOLD REMINDER will soon be ready for FREE distribution

This convenient, practical, perpetual memorandum is an aid to economical buying of supplies. It remembers for you just what is needed when you do your ordering.

Ask your grocer to reserve one for you, to be delivered to you when he receives his supply.

Choicest of Northwest Wheat.

In the famous wheat fields of the Northwest during harvesting and threshing season, agents of **OLYMPIC** Flour are on a sharp lookout for the wheat which has that particular high quality which has kept **OLYMPIC** Flour "Foremost in the Field" for more than a quarter of a century.

Actual milling and baking tests show where the better wheat is being harvested. Over a hundred local elevators (comprising the **OLYMPIC** buying organization) buy the wheat from the fields. The very choicest of this wheat is then selected by baking tests to be sent to the mills where the most improved machinery and methods make it into **OLYMPIC** Flour that is ready for you at your local grocer.

Say "OLYMPIC" to your nearest grocer when you order flour, and ask him to send you the monthly recipe cards.

OLYMPIC FLOUR

Biblical Lilies.
The "lilies of the field," so often mentioned in the Bible, are thought to be the red and purple, particularly the red anemones, with black centers. These anemones grow among the thorn hedges in the East, which accounts for the saying, "Lilies among thorns."
