When Oregon Goes to Market

WHEN YOU BUY—

YOU can purchase goods made elsewhere and send a part of your money to other sections to be distributed in payrolls for the benefit of those communities. Or you can insist on Oregon Made Products and your money—all of it—will remain in Oregon to increase the output of Oregon factories; to make bigger payrolls for Oregon; to build more homes and better schools in Oregon.

Which are you buying?

Associated Industries of Oregon

Come now! How long since you had your picture taken? Did you ever stop and think your portrait is the most unselfish thing that you can give those dear to you—something they cannot buy you must give them? Enough said—we only need a few minutes of your time for the sitting. At your service.—The Hogans. 42-46c
