THANKSGIVING DAY

—Another year has almost gone
 —We know a good many things we never even dreamed of a year ago.
 —But, to us, the Biggest Thing of the whole year, the one item that makes us feel better than anything else, is
 —The Whole Hearted Support that our customers have given us.
 —We have not always been able to come up to the scratch on service, as heretofore,
 —But "By Jingo" our trade has stuck to us loyally and every one of our customers has backed us up.
 —It makes us feel pretty darn good, too.
 —Makes us kind of feel a personal connection with our trade—just as though it was interested in us as we are in it.
 —So we thank you not only once, but many times for our continued growth and prosperity.
 —And now to look ahead! Bend and Central Oregon is going to see a period of genuine prosperity and growth as never hit it before—1920 is going to be a year of exceptionally opportunities for us all—the development of Central Oregon will begin in earnest.
 —Let's be prepared to take a hand in this great work—Let's save.
 —We are not in the banking business, but observation has taught us that the more people with saving accounts the more prosperous the community.
 —In a community like our, we are all neighbors and friends working together. Each member helping to build up the resources of our country.
 —We are all in business together.
 —Let's all "pull together."
 —Let's all work and save and make 1920 a bumper banner year. For as much as we put into anything that much will we get out of it.
 —The Greatest American of us all has said:
 —"The law of the worthy life is fundamentally the law of strife. It is only through labor and painful effort, by grim energy, and resolute courage, that we move on to better things."
 —Just one word more! Let's make it a real Thanksgiving—for we of Bend surely have many things for which to be thankful.
