USES CLERK'S BADGE TO ENTER CAR

HOLDS FIVE AT BAY

Chicago Police Trail Horace Walton To Apartment and Fire Hundreds of Shots Into Building Till Bullet Slays.

(By United Press to The Bend Bulletin.) CHICAGO, May 14.—A lone bandit who successfully held up the Illinois Central passenger train last night, and obtained a mail pouch containing loot valued at \$100,000 was trapped and killed here early today. The pouch was recovered. Horace Walton, the bandit, carried a postal clerk's badge, with which he gained entrance to the mail car. He covered the five messengers with his revolver and forced them to give him four registered mail bags which he placed in his pouch. For two hours and a half he kept the messengers at bay, and when the train slowed down in a Chicago suburb, he leaped from the car.

The police saw him jump and attempted to stop him. He fired at his pursuers, fatally wounding W. A. Roberts. The police trailed him to an apartment house where a pistol duel was fought for two and a half hours.

Finally a cordon was thrown around the building, and windows and doorways bombarded by the police with hundreds of shots. Walton fell with a bullet through the brain. Officer Serriter was seriously wounded in the fight.

After some estimating at his office, Mr. Dawson decided to charge only the cost of making the ice, and returning to Mr. Peoples' place of business, told him the price and asked for the giant trout.

"I haven't caught him yet," Mr. Peoples replied, "but I shall have him ready for you Monday."

MANY WITNESS WORK AT GYM

NEARLY 400 PUPILS IN EXHIBIT

Children Show Excellent Results From First Year's Training. May Day Fantasy Starts on Reid School Lawn.

With an audience of parents in attendance which crowded the balconies, nearly 400 children of the Bend schools, under the direction of Miss Ella Dews, physical training instructor, took part in the gymnasium exhibit at the Y. M. C. A. this morning, demonstrating the progress made in the department in the first year of its existence. Especially good was the showing made by the grade pupils, and that the exhibit was truly representative of the work of the department was shown by the fact that the personnel of the classes was not picked, the membership being left intact.

Informal gymnastics by first grade pupils from the Reid, Central and Kenwood schools opened the program. Below the fourth grade no set gymnastic drills are used and the contribution made by the little folks to the exhibit was a game in which the youngsters simulated the actions of a crowd of volunteer fire fighters. After the imaginary fire was extinguished, they took part in the Danish dance of greeting.

Fantasy Is Started. Modified formal gymnastics by fourth graders of the Reid and Kenwood schools followed, with a gymnasium drill consisting of the formation of symbols, and a demonstration of wheeling by high school girls immediately afterward. A second group of high school girls next took the floor.

Showing precision of training, fifth and sixth grade girls of the Kenwood and Reid schools put on a wand drill based on the Swedish system of gymnastics, and splendid work was done by fifth and sixth grade boys in series of men's calisthenics. High school girls concluded the program with a Swedish gymnastic folk dance, "The Bleeking," and an American dance, "Pop Goes the Weasel." A polka step was used as the class came on the floor.

During the noon hour a picnic lunch was enjoyed by parents and children, and refreshments were served by the Campfire Girls on the Reid school lawn, where, at 2 o'clock an elaborate entertainment by the physical training department, in the form of a May day fantasy, was started. Folk dances of many nations and the winding of three May poles were to feature the outdoor program.
