

WOOD WINS IN CITY, LOSES IN ENTIRE COUNTY

IS LOSER BY ONLY 69 VOTES

CANVASS IS STARTED

Carroll-Marsh Race Expected to Be Closest of Election—City Council to Go Over Bond Issue Returns Tonight.

Although General Leonard Wood won 303 to 300 in Bend precincts in Friday's primary election, Senator Hiram Johnson polled a 518 to 449 total against him in the entire county, for republican presidential preference a partial report of the canvassing board, composed of J. H. Haner, E. L. Clark and J. C. Thorpe, issued this afternoon, showed. Herbert Hoover was third in the race, with 261 votes, Frank Lowden was fourth with 145, and Miles Poindexter of Washington, whose withdrawal was announced before that of Hoover, tailed the list with 16. Henry Cabot Lodge, of Massachusetts, was favorite for vice-president with 649 votes, Elwood Washington, of Indiana, second with 247, and William Grant Webster, of New York, third with 164.

For delegates at large to the republican national convention, Daniel Boyd, of Wallawa county with 428, R. R. Butler, of Wasco county with 456, George J. Cameron, with 310, and Charles H. Carey, of Multnomah county, with 374, were selected in the county, while W. H. Brooke, of Malheur county, and D. J. Cooper, of Wasco county, with 739 and 464 votes respectively, were picked for delegates from the second congressional district. Little expectation was felt that the results of partial returns announced Saturday would be changed materially, with the possible exception of the race for the nomination county commissioner. In this, Charles A. Carroll and John Marsh of Tumalo are running close, and it is considered that only the completion of the official review of the precinct returns will point with certainty to the winner.

Complete returns from all candidates and measures will be available tomorrow, as the city council, in adjourned session tonight, will canvass the vote on the \$21,000 park bond issue.

Johnson Lead In Race With Wood Gains In State

GEN. LEONARD WOOD, MASS.

HIRAM JOHNSON, CALIF.

PORTLAND, May 24.—Johnson's lead over Wood has been increased to 1122, with the indications that Johnson is the winner for presidential preference in the republican state primaries.

PENALTY FIXED FOR PROFITTEERS

CRUCIFIXION TO BE ORDERED WITH WEEK'S TIME, SAYS ORGANIZER OF WORLD LEAGUE. IS ADJUDGED INSANE.

Within a week's time, the World Consumers' and Producers' league will take over the earth, choose Louis Hill manager and Woodrow Wilson president, and will crucify all profiteers and murderers, P. E. Holderman, until recently a resident of Prineville and Redmond, announced here today. The work is to start in Deschutes county, where the preliminary organization has already been effected, and a strong feature will be the reclamation of waste land.

Mr. Holderman is national organizer for the league, commencing active work early in May, when in answer to his mother's prayer, the Lord appeared to him in a vision. The scheme of organization, which includes making Washington, D. C., world headquarters, was revealed to him at that time, even the names of prospective committeemen in the vicinity of Deschutes being given to him.

Mr. Holderman has been under observation since Saturday, when he was brought to Bend from Redmond, and will be sent to the state insane hospital at Salem as soon as an attendant arrives. Local authorities hold to the theory that worry and lack of proper food are at least contributory to the man's present derangement.

Until shortly before noon it had been thought that he might be taken by relatives for private care, in the Willamette valley, but while waiting in Sheriff Roberts' office, he suddenly seized his four months old baby boy, brought to Bend from Corvallis by his wife, and rushed from the building. He was re-located at the Cozy hotel.

Mr. Holderman had been working toward the formation of the Consumers' and Producers' league for some time, and has advertised extensively in Bend and Redmond papers for waste land anywhere, in any quantity.

WILSON WOULD TAKE ARMENIAN MANDATE

WASHINGTON, D. C., May 24.—President Wilson sent a message to congress today asking that this country accept a mandate over Armenia.

\$750,000 BLAZE AT PORTLAND

FIRE STARTED FROM ELECTRIC SPARK

North Portland Box Company Goes First and Wooden Ship Plant of Standifer Construction Company Burns.

PORTLAND, May 24.—It was estimated today that the loss caused by fire in the North Portland industrial district Sunday will amount to \$750,000. The plant of the North Portland Box Company, valued at \$300,000, and the wooden shipbuilding plant of the Standifer Construction Company, worth a quarter of a million, were destroyed.

The fire started at 11 o'clock Sunday morning in the plant of the box factory due to an explosion of a switch controlling one of the planing machines.

A 40 mile gale threatened to sweep the flames over the entire industrial district, a few miles north of Portland proper, and for a time it was feared that property worth \$25,000,000 might be destroyed. A sudden shift in the wind, however, turned the flames, and made it possible for the fire fighters to control them. The fire raged until 6 o'clock Sunday evening.

DENIES HEAVY EXPENDITURES

WOOD'S CAMPAIGN MANAGER APPEARS BEFORE SENATE COMMITTEE—BIGGEST SUM IS SPENT IN NEW JERSEY.

WASHINGTON, D. C., May 24.—(By United Press to The Bend Bulletin) Frank Hitchcock, General Leonard Wood's campaign manager, was the first witness today before the senate committee which is investigating campaign expenditures. He said he knew nothing regarding contributions to Wood's campaign fund and could only testify in a general way regarding expenses. He said that \$15,000, sent into New Jersey, was the largest amount spent in any one state.

WOMEN DELEGATES TO RECEIVE MUCH NOTICE AT CONVENTION

(By United Press to The Bend Bulletin) CHICAGO, May 24.—Social lines will disappear during the G. O. P. national convention here June 8 as far as women delegates to the convention are concerned, according to plans of republican hostesses who completed their program of entertainment for the feminine delegates today.

Chicago's smartest women today were prepared to work along side their sisters of the factories and department stores in aiding their sex representatives at the convention in having a good time.

Homes on the Lake Shore Drive and the South Shore Country club will be thrown open to women delegates. There is to be no room shortage for the visiting feminine branch of the republican party. Snobism is to go by the boards as long as the convention lasts.

This is the first time in the history of the republican party—or any other party—that women have played a direct part in the selection of a party's presidential candidate. With this in mind, republicans are out to capitalize the fact for all it is worth and while delegates are here, they are to be feted and fussed as they never were before. Front row seats with their state delegations in the convention hall have been assigned to them to make prominent the part they are to play. Women's vote is to cut a wide swath in the elections this fall and all the attention they can give to women delegates and prominence of the women's part, politicians figure, means gains in votes.

One hundred women are expected to participate in the convention, according to Mrs. Mabel Reinecke, executive secretary of the women's division of the republican national committee. Close to this number have already been selected and when complete returns are in it is believed the figure may run higher than a hundred.

ONE OF OCCUPANTS DIES IN TWO HOURS, BUT COMPANION WILL LIVE—BOOZE BLAMED FOR ACCIDENT.

(By United Press to The Bend Bulletin) CENTRALIA, May 24.—W. D. Zeiger was fatally injured and Charles Roney seriously hurt early today when the automobile in which they were riding was struck by a locomotive at a street crossing here. Zeiger lived only two hours. Roney will recover. The automobile was carried several hundred feet and was practically demolished. Both men are said to have been drinking.

RAILWAYS EARN BUT 1 PER CENT

FIGURES ARE GIVEN TO COMMISSION

Howard Elliott Appears Before Interstate Board Seeking Upward Revision in Rates of More Than One Billion. (By United Press to The Bend Bulletin) WASHINGTON, D. C., May 24.—The railroads of the United States earned only one per cent on their property investment last year, Howard Elliott told the interstate commerce commissioners at their opening hearing today, held for the purpose of fixing new freight rates. Elliott, who is chairman of the rate commission of the association of railway executives, began the argument for a general freight rate increase totaling \$1,017,000,000 annually.

Under the transportation act, the interstate commerce commissioners must fix rates which will yield the roads a return of 6 per cent on valuations. The railroads are now confining their requests for rate increases to freight tariffs.

W. O. W. STATE MEET FOR BEND

LOCAL DELEGATES TO WOODMEN OF WORLD MEETING IN PENDLETON SECURE NEXT SESSION FOR THIS CITY.

Returning from Pendleton where they attended the Woodmen of the World convention as representatives from Bend Camp No. 316, E. D. Gilson and A. J. Moore reported today that this city has been chosen for the next general meeting of the kind. Delegates were chosen to the thirteenth Head Camp session which will convene in Yosemite National Park.

At the close of the Pendleton session, in which Mr. Gilson served as secretary, and Mr. Moore as a member of the committee on mileage and daily expenses, a banquet was given in honor of visiting delegates, and the freedom of the city extended to the convention by the mayor.

PRESIDENT SIGNS PENSIONING BILL

WASHINGTON, D. C., May 24.—President Wilson today signed the civil service bill providing for the retirement and pensioning of government employes.

CARRANZA SHOT IN EARLY MORN IS STORY TOLD

BODY IS BROUGHT TO MEXICO CITY

MURDERED IN SLEEP

Cross-Fire Directed Against Hut, Six Bullets Piercing Body—Deceased President Lived Only Few Minutes.

(By United Press to The Bend Bulletin) MEXICO CITY, May 24.—The body of Carranza, murdered president of Mexico, arrived here today on a special train from Puebla. General Murgula and other members of Carranza's party are safe, according to information received from revolutionary sources which state that the Carranzistas surrendered to the rebel forces.

A dingy little train of three wooden coaches, drawn by a rusty crippled engine, brought the remains here. A few faithful watchers, including most of the foreign diplomatic corps, witnessed the arrival.

Carranza was murdered in his sleep when Rudolf Herrero and his men opened fire. Friends of the president rushed to his aid and battled in the darkness with the attackers. Carranza's body was riddled with bullets.

The Mexican president had taken Herrero into his confidence because the latter was familiar with the Puebla mountains.

General Amadorf, who was with Carranza, said that the soldiers under Herrero were dissatisfied, and that when the party encamped they carefully noted the hut in which the president was to sleep. The traitors attacked at 4 o'clock in the morning, firing crosswise through the thin walls of the hut so that the bullets would be sure to strike the sleeping chief. He was hit by six and lived for only 10 minutes.

U-OF-W CREWS WINS FROM CALIFORNIA

Three-Mile Course on Lake Washington Is Covered in 15 Minutes and 35 Seconds.

(By United Press to The Bend Bulletin) SEATTLE, May 24.—University of Washington oarsmen won the collegiate Pacific coast rowing championship today when they finished six feet ahead of the University of California crew at the end of a three-mile course on lake Washington. The winning time was 16 minutes and 35 seconds.

STOCKMEN ATTEND BURNS CONVENTION

(By United Press to The Bend Bulletin) BURNS, ORE., May 24.—Stockmen from all parts of Eastern Oregon are here to attend the seventh annual convention of the Cattle and Horse Raisers' association of Oregon. This is one of the most important gatherings ever held by the association, as post-war readjustments have virtually affected those engaged in livestock and agricultural pursuits.

GALICIANS JOIN UKRAINIAN ARMY

LONDON, May 24.—A Warsaw dispatch stated today that a brigade of Galacia soldiers has joined the Ukrainians, who have effected a junction with General Pavlenko's forces launching an offensive against Odessa. This indicates that earlier reports concerning the fall of Odessa were premature.

CROOK COUNTY MEN WORK IN LAKEVIEW

A number of Prineville residents have been arriving in Lakeview during the last few weeks in search of employment, says the Lake County Examiner. The Examiner also states that it is understood that practically the entire floating population of the Crook county seat is leaving because of low wages.
