TWO U. OF O. MEN ON OLYMPIC TEAM

Tuck of Redmond, and Bartlett of Estacada Win Right to Compete At Antwerp.

(By United Press to The Bend Bulletin)
UNIVERSITY OF OREGON, Eugene, July 21.—Two University of Oregon athletes, William Kenneth Bartlett, of Estacada, and Arthur Tuck, of Redmond, have been selected as members of the United States track team to compete in the Olympic games at Antwerp, Belgium. They were named following the Olympic tryouts held last Saturday in the Harvard stadium at Boston in which they competed against athletes from every section of the country. Bartlett placed second in the discus in the national tryouts, and first in the junior amateur athletic association championship held the day before, establishing a new junior record in the event.

Art Tuck, youthful phenom, who has been at the University only one year, was chosen largely on account of his past record in the javelin.

Remember the Small Things.

It is easy to talk glibly of serving humanity and to forget to pass the salt to the man who sits next us at table, to think of placing our lives at a world's disposal and neglect the small attentions which mean so much to our own home.—Henry Sionne Coffin.

Human Stepping Stones.

There are said to be many "Ralphs" in China. When a Chinese lady comes to a muddy place in the road she usually gets over it by employing a human stepping stone. Beckoning a boy she gives him a small coin, in return for which he drops on his hands and knees in the mud for her to step over.
