

HONESTLY

If you are a renter of the house in which you live surely you have been face to face with the renter's problems. You know better than anyone else the obstacles with which you have been compelled to contend.

SURELY

You have thought many times -- "What becomes of my wages"? "Where do my earnings go"? "Where will my family and I be ten years from now"? "What, if I should die or be incapacitated, even temporarily, would my family do for shelter and home comforts"?

CANDIDLY

Aren't you throwing money to the birds, so to speak by paying rent? Are you any farther ahead at the end of the year by paying rent for the privilege of living in a house?

SINCERELY

If you are able to pay rent, you are able to pay for the house of your own choice. It may be ever so humble, but IT'S YOUR HOME. and if you have the determination to go through you can pay for it easily.

PLANS

There are scores of easy payment plans which can accommodate your finances. Look around and you will be surprised to find the ways and means through which you can
