

BOOZE BACKERS IN SUPPORT OF COX, IS CHARGE

LIQUOR MAN'S NOTE QUOTED

HAYS GOES ON STAND

Democrat's Statements Regarding
Republican Campaign Fund Un-
truthful, Declares Chairman
of National Committee.

(By United Press to The Bend Bulletin)

CHICAGO, Aug. 30.—Organized
liquor interests in the United States
have set out to elect Cox president,
raising campaign funds for the pur-
pose, Republican National Chairman
Will Hays charged today before the
senate sub-committee which is inves-
tigating campaign expenditures.

Hays read into the record a letter
written by George T. Carroll, presi-
dent of the New Jersey Federation of
Liquor Interests, asking for a con-
tribution to help Elect Cox, and keep
the Anti-Saloon league out of power.
Hays declared that "each and all
of Cox's charges are false in what
they say and libelous in their pur-
pose," when he took the stand. In
a long prepared statement he said
the national committee's budget for
the campaign called for \$3,079,037.
That sum, or approximately that,
will be raised and spent, he said, not
\$15,000,000, as Cox charged.

BEND STORES TO MOVE SOON

McPHERSON GETS THE DEMENT
BUILDING, THOMPSON MUSIC
CO. TO CROSS STREET, SOUTH-
WORTH TO OPEN SALES ROOM

The Bend Furniture Co., now lo-
cated in the Thompson building on
Wall street, has closed a lease with
P. Dement for three years for the
ground floor and balcony of the new
building now nearing completion on
Wall, between Minnesota and Ore-
gon. D. G. McPherson, head of the
company, announced today. In case
the Elks lodge purchases the build-
ing from Mr. Dement, the lease will
be transferred.

By securing the new location, Mr.
McPherson has made it possible to
have his salesrooms and his ware-
house as well under one roof, and
commenced this morning moving his
reserve stock from the Paddock ware-
house on Bond. Store fixtures and
stock will be moved later and Mr. Mc-
Pherson hopes to be ready for busi-
ness in the new building early in
September. The larger room which
will be at his disposal will make pos-
sible an increase in the size of his
stock, with the addition of several
lines of even higher quality than
those now carried.

E. M. Thompson, from whose
building the furniture store is mov-
ing, will use the vacated rooms for
his rapidly growing music business,
and Roy Southworth, agent for the
Oldmobile, will move into the Pad-
dock building as soon as the re-
moval of stock from that location is
completed.

cation," "The Russell Sage Founda-
tion Report," and "The Spread of
Knowledge." These three will be

Bend are invited to attend. Other
subjects will be developed in division
meetings.
Mr. Churchill will go to Madras to
attend the Jefferson county institute
on the following day.

HOMES OPENED TO TEACHERS

APPEAL FOR ROOMS IS ANSWERED

School Superintendent Gratified at
Response Assuring Accommoda-
tions For Vanguard of
Bend Instructors.

Highly gratified at the response
made to his appeal for living accom-
modations for teachers, published in
Friday's issue of The Bulletin, City
School Superintendent S. W. Moore
stated this morning that a sufficient
number of rooms are now available
for the vanguard of the teaching
force and that if the present rate at
which available rooms are being re-
ported is continued, every instructor
will be provided for as soon as she
arrives in the city.

Three completely furnished houses,
each affording accommodations for
four people, were first to be re-
ported, Mr. Moore said. The rent
set on one of these may prove pro-
hibitive, but the others are reason-
ably priced. In addition one complete
upper floor for the use of teachers
was offered and a number of single
rooms have been listed with the su-
perintendent. "Indications today
are that we shall have no trouble in
locating the new instructors," Mr.
Moore said.

Up to late last week only three
rooms were listed which would be
available at the time school opens,
and fear that inability to obtain liv-
ing quarters might cause instructors
to leave early in the term, with
slight chance that the vacancies thus
created could be filled, prompted Mr.
Moore's appeal to the householders
of Bend.

SCOUT OUTING IS CUT SHORT

BOYS LEAVE LOST LAKE WHEN
STORMY WEATHER SETS IN—
ENCAMPMENT VOTED BIG suc-
CESS BY SCOUTS AND MASTER.

Their outing cut short by in-
clement weather, members of the
Bend Boy Scout troop who have
been camping at Lost Lake, returned
Saturday night in cars furnished by
J. A. Eastes, R. S. Hamilton, H. A.
Miller and H. H. Lamping. The
cars carried provisions and their
owners had intended spending Sun-
day at the Scout camp, but it was
decided by Scoutmaster J. Edgar
Purdy that a rain and snow storm
of 24 hours duration was enough,
and the encampment was declared
ended. The boys had planned to
come in on Wednesday. One car-
load started from the camp with
Mr. Eastes, and the rest of the
scouts hiked seven miles to meet
the other autos.

Despite the disagreeable weather
during the last two days of camp,
the scouts and their leader declared
the trip to have been a big success
from start to finish. "The boys
were so toughened by their hiking
and outdoor life, that not one even
caught cold after being soaked by
rain and snow on Friday," Mr.
Purdy commented in speaking this
morning of the outing.

the city, starting on Greenwood and
ending at the city park. Here short
addresses will be given and a picnic
dinner enjoyed. In the afternoon
athletic and feature contests will be
staged.

In the evening, two attractions are
scheduled, the boxing commission
smoker at the gymnasium and a

ately after the last bout.

SALEM BOOSTER IS INTERESTED IN BEND

"Why not start a real booster or-
ganization in Bend?" was the ques-
tion asked this morning by C. B.
Clancey, head of the Salem Rotary
club and King Bing of the Salem
Cherrians, after his arrival from a
trip to Crater lake. "Bend really
should get in on the booster confer-
ence which will be held at the state
fair this fall."

Mr. Clancey was accompanied by
Mr. and Mrs. William McGilchrist of
Salem and James Forbes of Portland.
Mr. McGilchrist is head of the fruit
juice industry in the state capital.

While he was on the state fair sub-
ject, Mr. Clancey commented on the
flower show given in Bend under the
auspices of the Women's Civic Im-
provement league. "I should think
there would be some floral exhibits
sent from here to be entered at the
state exposition," he said.

BELFAST RIOT IS STOPPED BY ARMED FORCES

WOMAN ADDED TO LIST OF VICTIMS

BRICKS INJURE MANY

Eleven Killed and 50 Wounded in
Fighting Between Catholics and
Orangemen—Mayor of Cork
Alive After 18 Day Fast.

(By United Press to The Bend Bulletin)

BELFAST, Aug. 30.—Soldiers
and police restored order today fol-
lowing night and morning rioting
between Orangemen and Catholics.
Three men and one woman were
killed today and 50 wounded, bring-
ing the total number of casualties to
15 killed and 100 wounded.

Fierce fighting between Oran-
gemen and Catholics continued this
morning. Rioting, which has broken
out at intervals for three days, cen-
tered in the York street district and
involved hundreds of shipyard work-
ers. Two men were shot and several
injured by bricks and clubs in the
resumption of rioting, which in-
creased in violence shortly after 8
o'clock in the morning. The riots
have taken a toll of 11 dead and 50
wounded.

LORD MAYOR STILL LIVES

LONDON, Aug. 30.—Terence Mac-
Swiney, lord mayor of Cork, col-
lapsed again in Brixton prison this
afternoon. Physicians expressed
the belief that he had only a few
hours to live. This is the 18th day
of his hunger strike.

IRISH OFFICIALS ARE LEAVING JOBS

Special Inducements Offered By
Sean Fein To Policemen To
Leave Government Employ.

LONDON, Aug. 30.—Hundreds of
judicial and police officials in Ire-
land are handing in their resigna-
tions, the frequent Sinn Fein an-
nouncements state.

A recent Sinn Fein bulletin an-
nounced the resignation of 115 offi-
cials under the British government,
who resigned within four weeks. A
later list gives the names of 62 mag-
istrates, police officials and con-
stables, some of whom had served
for over 40 years, who gave up their
jobs within a fortnight.

The government apparently is find-
ing increasing difficulty in filling po-
sitions in Ireland. Sinn Fein is giv-
ing great encouragement to policemen
who resign—hailing them as com-
rades and taking unusual care to see
that they do not lose anything by
leaving the British service. In ad-
dition to announcing that they are
persona grata in Sinn Fein circles,
what amount to employment agen-
cies have been opened to them.

The most recent list of resigna-
tions gives 26 magistrates, 6 high
police officials whose service aver-
aged over 30 years, 11 minor offi-
cials, none of whom had served less
than 25 years, and 28 constables,
who had served anywhere up to 40
years.

In nearly all cases the men re-
signing are of long service. Sinn
Feiners are hailing the defections as
signs of the wane of British rule in
Ireland, though they have aroused
little comment here.

Great difficulty has been forecast
in obtaining judges for the Irish
courts to be established under the
restoration of order in Ireland bill,
which was recently passed by parlia-
ment. Magistrates have shown ex-
treme reticence in accepting posts in
Ireland, as many regard acceptance
as practically a death warrant.

rested this afternoon by Officers Nix-
on and Carlson. The hearing was to
