**Ford Prices Before The War**

In 1904-05 and 6 Ford Touring Cars sold for \$2,000.00 F. O. B. Detroit.

☞ The new price is \$440.00 F. O. B. Detroit, without a starter, and the present Ford cars are the best cars the Ford Motor Company ever made.

Regardless of 146,065 orders on file for immediate delivery and millions of dollars worth of high priced raw material on hand, the new Ford prices were fixed on a pre-war basis in an effort to bring the business of the country and the cost of living to normal again. The war started in 1914. Compare the new Ford prices, now in effect, with the 1914-15 prices.

	New 1920 Ford Prices	1914-1915 Ford Prices
Chassis	\$360.00	\$410.00
Runabout	\$395.00	\$440.00
Touring Car	\$440.00	\$490.00
Sedan (with starter)	\$795.00	\$975.00 (without starter)
Coupe (with starter)	\$745.00	\$750.00 (without starter)

All the above prices are F. O. B. Detroit

**THE NEW FORD PRICES ARE CUT TO THE LIMIT.** The new Oregon allotment of 1,176 Ford cars per month assures you of reasonably prompt delivery. You want one—you NEED one. Place your order now and get one.

**Cent-Ore Motor Co.**
