Sam Boyce and Ed. McDonald To Be Returned To Bend Tomorrow Charged with Theft of Davis Car

A wire from Portland police headquarters informed Sheriff S. E. Roberts yesterday afternoon of the arrest of Sam Boyce and Ed McDonald, said by the Portland authorities to have confessed to the theft of the car in which they were riding, the numbers of which tally with one stolen from A. R. Davis here on September 27. N. G. Jacobson was deputized and sent down last night to take over the prisoners. Davis will go down tonight and the four will return to Bend in the car, now held by the Portland police.

FOREST PRESERVATION OLCOTT'S PLEA

Brooks-Scanlon Lumber Co. Suspend Cutting Along State Road Until Officials Arrive In Bend From The East.

A letter from Governor Olcott, printed in a Portland morning paper under a Salem date line, written to

the management of the Brooks-Scanlon Lumber Co., urges preservation of the forests along The Dalles-California highway until' such time as some understanding may be reached between the owners and the people of Oregon who are interested in perpetuating the scenic beauties of the state. The governor's letter says:

"My attention has been directed by the state highway department to the fact that a new cutting of timber along and on The Dalles-California highway south of Bend has been are no doubt aware, efforts have been our highways. I understand the

Legislation Planned.

"It is the plan to secure some leg-* one concerned as nearly as possible but at the same time preserve the forest strips for all time to come. Because such legislation is in prospect, the Crown-Willamette Paper company has voluntarily, at my request, ceased operations near the TRAIN WRECK public highways in the northwestern part of the state, and I would appreciate it very much if you could take some such action in the vicinity of Bend.

"The Dalles-California highway, when completed, promises to be one of the most magnificent pieces of roadway in the entire Pacific Northwest. All of us, as citizens of the state, owe a patriotic and civic duty in endeavoring, as far as possible, to preserve our wonderful natural surwe do feel that a cooperation between the state and the timber companies may be secured which will be of immense advantage to the state and. consequently, to the timber compan

ies themselves in the long run." Reports that the cutting referred to had been begun in the vicinity of

Lava Butte were telephoned to Bend from La Pine by Assistant Highway No Indication of Subterranean Engineer C. C. Kelley, who went TRANSPORT MEN over The Dalles-California highway on his way to Klamath Falls a week ago today. Following Mr. Kelley's over The Dalles-California highway report, the matter was taken up with INRC H. K. Brooks of the Brooks-Scanlon Co., who advised County Judge Sawyer that cutting on the highway would be suspended until company officials now on the way here from Minneapolis had arrived. At that TO AID BRITISH COAL MIN- time a decision will be reached cover-ERS-NATION FEELS EFFECT ing the company's attitude on the subject, the expectation being that duced into the cave produced the city council. a timbered strip will be left as desired.

OF THE OPPOSITION.

After a personal inspection of the Benham falls storage reservoir site south of Bend, the key to the greater OWN PARTY WITH IDEALISM Knickerbocker hotel last night as "R. Deschutes valley irrigation project, United States Senator Charles L. Mcmurdered in her hotel room today. Nary pledged last night that he would recommend to the senate on his return to Washington the use of government money in the completion of the reclamation work outlined by Examination of the body at the porting Senator W. G. Harding for the presidency, given at the gymnasium. More than 250 people heard

> Introduced by Charles W. Erskine, formerly a student in one of his law classes at Willamette university, Senator McNary declared that the great issue in the present campaign is whether or not the people of the United States will endure another four years of waste, inefficiency and extravagance such as have characterized the democratic administration.

Argument Constructive. The argument of the republican senator, while including a summary LATION FOR CONVENIENCE OF of the shortcomings of the Wilson regime, was essentially constructive. STOCKMEN FROM RAILROAD. He promised that, with the election of Senator Warren G. Harding to the

presidency, and the return of a re-That the matter of installing scales for the weighing of stock for the merchant marine bill should be made system will also be a result of a Mr. Sproat attributes the bird's install scales. Improvements at the election of a republican congress, he declared.

"There is nothing spectacular about this campaign," the speaker pointed out, in opening his address, "but the apparent apathy of the people does not mean that they are not keenly alive to the issues involved. What I do take it to mean is that they are already well decided for a change of administration."

Waste Is Scored.

Granting that waste in time of war was inevitable, the senator declared

OF LACK OF FUEL.

(By United Press to The Bend Bulletin) LONDON, Oct. 20 .- Transport workers and rallway men marked time today, refusing to rush into a strike in support of the British miners. A parliamentary council of transport workers and railway executives met briefly and adjourned without acting. The railway men are said to be evenly divided on the question of going out with the miners. The coal strike situation is more serious. Minor disturbances were reported in different quarters. The nation is gradually feeling the effect of the lessened supply of coal.
