READY TO STRIKE ON SUNDAY

ULTIMATUM IS GIVEN

Immediate Granting of British Miners' Demands, Or Reopening of Negotiations Required—Fight To Finish Is Predicted.

(By United Press to The Bend Bulletin)

LONDON, Oct. 21.—Orders were issued today for British railway men to strike Sunday at midnight in sympathy with the coal miners. Announcement of the strike order followed the statement of J. H. Thomas, secretary of the railway workers and member of parliament, that an ultimatum would be served on Premier Lloyd George today.

It will demand the immediate granting of the miners' wage demands, with the alternative of a sympathetic strike.

"It's a fight to the finish if the government continues to champion the cause of the owner classes against the labor masses," declared Secretary Williams, in announcing the railway men's decision.

"Unless negotiations to end the coal strike are instituted within 24 hours, the issue will be between the government and the working classes," said Williams, following a meeting of transport workers' delegates.

Twenty minutes after the robbery, police arrested John and Stanley Depka, brothers. They were taken to the train to be identified by the passengers.

GOVERNMENT LIQUOR SHOPS FAVORED

30,000 Majority Decides Referendum Vote In Canadian Province—Balancing Yesterday Was Participated In By Women.

(By United Press to The Bend Bulletin)

VANCOUVER, Oct. 21.—British Columbia today abandoned her prohibition policy after a four years' trial. By a majority of 30,000—far more than the fondest hopes the wets had ever dreamed—electors decided yesterday in favor of a plan to sell liquor openly from government stores to be located in every city and town in the province, the ballot count showed today.

Early indications were that British Columbia had defeated the prohibition act in yesterday's referendum. Women participated in the voting. The result is a generous policy for the sale of liquor in government shops, but not over open bars.

LEAGUE OF NATIONS ASSEMBLY HAS MUCH TO DO IN NOVEMBER

By Webb C. Miller.

(United Press Staff Correspondent)
LONDON, Oct. 21.—Charges that the League of Nations has accomplished nothing during its first 10 months of existence will be met when the assembly of the league meets at Geneva for the initial session at 11 o'clock on the morning of November 15.

Advance information indicates that a number of days will be required merely to hear the reports of the various commissions which have been authorized by the council to investigate international questions.

The first meeting probably will be presided over by M. Paul Hymans of Belgium. Later a permanent president will be chosen by the assembly to preside for the remainder of the conference.

The first subject on the program is the discussion and adoption of rules of procedure and the appointment of the committee to examine and report on the credentials of the delegates.

Then will come the matter of admission of states not named in the original covenant, and not signatories of the peace treaties. These states, which have already qualified for full membership rights, will be immediately enrolled in the league.

Then will come the consideration and action of the league council in the following matters:

The appointment of three members of the Saar valley boundary commission.

The Saar basin governing commission.

The appointment of the high commission of Danzig and the approval of the constitution of the Free City.

Responsibilities of the league arising out of the distribution of mandates and the enforcement of article XXII (on mandates).

The appointment of Dr. Fridtjof Nansen, Arctic explorer, to investigate the problem connected with the repatriation of ex-enemy prisoners from Russia and Germany to their respective countries.

W.G. MADOOMAY SPEAK IN BEND

COMMANDER OF LOST BATTALION AND UNITED STATES SENATOR OTHERS WHO MAY BE BROUGHT IN BY DEMOCRATS

Because of the political meeting scheduled by Deschutes county republicans for Saturday night, local democrats will not hold their initial rally until early next week, when it is planned to bring W. G. McAdoo, runner-up for the presidential nomination, to Bend as the chief speaker in the interests of the Cox candidacy. Either McAdoo or Colonel Whittlesey, commander of the famous "lost battalion," will be sent here, it is expected. It is also possible that U. S. Senator George E. Chamberlain, who stopped in Bend recently on a tour to ascertain the needs of this section, may pay another visit to Bend, this time to aid in the democratic campaign.

Action relative to the securing of speakers was taken last night at the reorganization meeting of the Deschutes County Cox-Roosevelt league. E. J. Catlow was chosen chairman, Ross Farnham, secretary, and W. J. Mahoney, treasurer.

STATEMENTS ON LEAGUE AGREE SAYS HARDING

CHALLENGES FOES TO PICK FLAWS

ONE POSITION HELD

Republican Candidate Would Associate Nations To Promote And Preserve Peace, He Declares In Address At Rochester.

(By United Press to The Bend Bulletin)

ROCHESTER, N. Y., Oct. 21.—Senator W. G. Harding today challenged anyone to draw up a parallel column of his utterances on the League of Nations and find statements not in accord. Speaking here, the republican candidate insisted he has held one position throughout the campaign, and again refused to outline his conception of an association of nations.

"I have unflinchingly said that we wish to associate with other nations to end the war and to promote and preserve peace," he declared. "Other nations of the world are wiser than our political opponents and they have accepted the fact that there is no hope of uniting Americans, or even a very substantial minority behind the impossible proposal that we should accept the covenant as written."

"Foreign nations have set their faces to the future. So must America and so must every friend of the new and better order."

GRAND JURORS FACING HEAVY SESSION HERE

SIX CASES HELD FOR INVESTIGATION

OTHERS MAY BE ADDED

Possibility of Secret Charges Intimated—Murder Allegations First To Be Probed Here—Three Assault Cases Now On List

(By United Press to The Bend Bulletin)

Deschutes county's grand jury will have one of the busiest terms on record in examining the evidence in criminal cases at the beginning of the November term of circuit court. The grand jury will be drawn immediately after the court session begins on November 8. There are now six cases bound over from justice court, and District Attorney A. J. Moore intimated this morning that there may be a number of others which will be carried directly to the investigators without preliminary hearing.

The list of cases now ready for the indicting board is headed by that in which A. J. Weston, charged with the murder of Robert H. Krus, is defendant. The charges, sensational in the extreme, have created general interest through Central Oregon. If indicted, Weston will be the first man ever to face a trial jury on a charge of murder, in Deschutes county.

In three cases, "assault, being armed with a dangerous weapon," is alleged. Xerxes Parnell is charged with attacking Mrs. J. J. Gardner, of this city; J. T. McClellan is accused of assault against his son-in-law, Mike Merg; and Ed Halvorsen is defendant in a similar state action in which G. W. Brown is defendant.

Check Case Held
As a contrast to the larger part of the list, in which acts of violence are alleged, William Robinson, of Bend, is charged with selling liquor to minors, and William Ross is held on a complaint alleging the giving of a worthless \$500 check in payment for an automobile.

In preparation for the coming term of court, the following jury list was announced today: H. A. Miller, George A. Paddock, Joseph Zoll, J. J. Clapp, A. B. Hicks, R. H. Loven, E. P. Brosterhous, George R. Barclay, L. F. Orrell, John A. Deemer, M. P. Cashman, J. Charles Smith, G. H. Slack, C. J. Leverett, W. B. Crawford, T. W. Tripplett, and Bert Torkeisen, of Bend; R. U. Flickinger, A. J. Goussion, W. N. Ray, and W. R. Gerking, of Tumalo; R. H. Ledbetter, C. W. Muma, H. C. Doty, M. C. Conlon, W. E. Young, and T. W. Marshall, of Redmond; W. R. Davidson, of Terrebonne; O. O. King, of Brothers; and C. M. Redfield, of Deschutes.

WOMEN VOTERS MUST REVEAL TRUE AGES

Maine Judge Hands Down Decision Backing Registration Board In Refusal to List Name Without Years

PORTLAND, Me., Oct. 21.—Maine women must give their exact age and date of birth before being registered as voters, Associate Justice Scott Wilson of the Maine supreme court has decided, holding that the Portland board of registration was within its rights in refusing to place the name of Mrs. Elizabeth Alden Holman on the voting lists on September 4, when she declined to indicate her age, other than that she was more than 21. The ballot laws of the state require that the age and date of birth be given.

The identification of the voter, Justice Wilson said, may be very essential in cities to prevent fraudulent voting and to provide correct voting lists.
