

TWO COUNCILS AGREED UPON BEND BUDGET

\$70,299.50 ESTIMATE FOR 1921

SINKING FUND NEED

\$10,000 Item To Prepare For Retiring of City's Bonded Indebtedness Is Placed In The List of Probable Expenditures.

ITEMS IN PROPOSED BUDGET

Table with 2 columns: Item, Amount. Includes Interest on bonded indebtedness, Legal department, Recorder, Treasurer, Auditing, Police, Fire department, Health, Streets, lights and bridges, Library, Rest room, Women's protective division, Elections, Interest and exchange, Legal publications, Emergency fund, Cemetery, Parks, Engineer, Total, Sinking fund, Estimated 2% tax collection loss, Estimated receipts, Balance to be raised by taxation.

Every member of Bend's present city council, and five of the council-elect, who met in joint session last night, endorsed a budget of \$70,299.50 for 1921 running expenses, compiled from reports submitted by chairmen of standing committees and by the library, park and cemetery boards. The date on which the budget will go before the voters for ratification was not definitely set, but will probably be the latter part of next week.

A feature of the estimated expenditures for the coming year is the addition of a \$10,000 item as the virtual beginning of a sinking fund for the retirement of bonded indebtedness. In preparing for the retiring of municipal bonds as they reach maturity, the city, at the end of 1920, would be slightly in excess of \$36,000 behind, it was pointed out in the auditor's report, recently compiled. The city saves in having no deficit in actual running expenses to make good, as was the case when the budget for the present year was prepared, while the special item of \$4000 in the last budget for the completion of the fire house and city hall has no counterpart in the estimated expenditures of 1921.

Recorder's Work Emphasized. Efficient administration of city affairs, it was recognized, calls for larger appropriations in practically all departments, especial emphasis being laid on the necessity for employing a recorder to devote his entire time to the work, which will virtually mean the inauguration of the city manager system. Increase in salary and in the appropriation for office rent and fixtures accounts for the item of \$3980 listed under this head.

Two other items received special attention. One was the proposed plan for improving the city park by piping in water, seeding five acres to grass and constructing necessary

JURY COMPLETE FOR THE TRIAL OF A. J. WESTON

ATTORNEYS SPEED UP PRELIMINARY WORK

CHALLENGES ARE FEW

Taking of Testimony In Murder Case To Be Under Way Tomorrow—Special Venire Ordered Before 12 Men Are Accepted.

Completion of the jury in the case of the State vs. A. J. Weston, accused killer of Robert H. Krug, of Sisters, was achieved in circuit court this afternoon. Attorneys' statements of the case were begun and taking of testimony will be under way tomorrow.

After the close of yesterday's day session, the end of the task of selecting a competent jury seemed far away, but in the night session, called to exhaust the regular jury list, fewer objections were made by the opposing attorneys as to the qualifications of prospective jurors. When the defense, after using one peremptory challenge to remove Joseph Zoll, announced that peremptories would be waived as to the others then in the box, it was indicated that 12 acceptable to both sides would be selected before the close of this afternoon.

William Ray was passed for cause last night, W. E. Young was excused because of the fact that he is a witness for the defense. M. P. Cashman was excused for cause by the state and C. J. Leverett and R. H. Loven were passed. A special venire was ordered drawn by the court.

Few Peremptories Used.

This morning the defense excused Myron Symons for cause, Ward Cobie was removed on the second peremptory exercised by the defence and B. P. Royce and B. G. Hughes were excused for cause on the request of the state's attorneys. E. J. Wright was passed and James Hogan was challenged by the state. The court removed S. H. Stockman, and Frank Inabnit was removed for cause by the defense.

Six more prospective jurors, A. J. Gonnason, H. C. Doty, J. Charles Smith, O. O. King, G. H. Slack and A. B. Hicks, were passed for cause up to 6 o'clock yesterday evening, making eight in all up to that time, out of 16 examined. Of the eight, it was indicated, from the line of examination, that a minimum of four would be removed by peremptory challenges.

Of those excused yesterday afternoon, C. W. Muma and R. U. Flickinger were not acceptable to the defense, J. J. Clapp was rejected for cause by the state, the court excused W. R. Gerking, and W. B. Crawford was rejected for jury service because of non-citizenship.

SMOKER PROFITS GO TO RED CROSS

Every Dollar Over Expenses Taken In At Thanksgiving Day Event Pledged To Bend Chapter.

Every dollar over expenses taken in at the big Thanksgiving boxing smoker at the gymnasium on the evening of Thursday, November 25, will be given to the Red Cross, it was announced today by Matchmaker E. C. Brick. "Our smokers have not been financially successful, as a rule," he said, "but I want this one to be a big success, not only because it is going to be the best ever staged here, but because all the profits will be donated to an organization that means so much to the people of Bend."

In order that the high-class boxing events scheduled will not interfere in any way with the many dances and entertainments which will be given Thanksgiving evening, the smoker will start promptly at 8 o'clock, Mr. Brick announced. The bouts will be run off in rapid fire order, affording plenty of time between the end of the last contest and the beginning of the first dance.
