Simple Explanation.
 Pierre was trying to solve an example in arithmetic, but it came out 2 cents less than it should, over and over again. So I offered to help him; when all of a sudden he said: "I bet I know now what the matter is. I ought to add 2 cents for war tax."—Exchange.

Why Don't Wives Remain Their Husbands' Sweethearts?

When countless pairs of ardent lovers fade into listless "married folks," what's the reason? Who's to blame? When a husband has had his faults constantly explained to him at home he listens more easily to an old friend who tells him how wonderful he is. Staged with all the beauty, luxury, dramatic fire and action that in "Male and Female" captivated millions.
