From Grand-pa down to "Buster," these delicious meats are thoroughly enjoyed by the whole family and, like Oliver Twist, they ask for more.

Mother appreciates these meats most of all; because they are convenient to handle;—they are easily and quickly prepared;—there is no waste; and she can keep a quantity on hand for emergencies.

She knows too, that Uncle Sam's guarantee of purity is behind every can and that she pays less than pre-war prices for this nourishing canned corned beef and corned beef hash.

Insist on your dealer getting you a supply of this wholesome food. There's a legitimate profit in the sale for him (wholesale prices listed below) and a considerable saving for you.

"Friends, the taxes are indeed very heavy, and if those laid on by the government were the only ones we had to pay we might more easily discharge them; but we have many others, and much more grievous to some of us. We are taxed twice as much by our idleness, three times as much by our pride, and four times as much by our folly; and from these taxes the commissioners cannot ease or deliver us by allowing an abatement."—Benjamin Franklin.
