

**WEATHER VARIED ON SPRING'S FIRST DAY**

Balmy Breezes, Blustering Winds and Rain, Sunshine, Clouds and Cold Reported.

(By United Press to The Bend Bulletin.)  
PORTLAND, March 21.—The first day of spring greeted the northwest with a variety of weather. Portland, Tacoma and Seattle reported balmy sunshine, Spokane light snow and Eugene cloudy and cool.

Other sections of the country greeted spring's debut as follows: Denver, mild temperature, sunny skies; St. Louis, blustering wind and rain; Kansas City, chilliest weather in month; St. Paul, clear and cold; Indianapolis, raining; San Francisco, cold wind.

Bend had cloudy weather, and the air was damp following a light precipitation last night.

**MANY HONOR MEMORY OF HIGH SCHOOL BOY**

Full Church for Funeral Service; Floral Offerings Many; School Friends Are Pallbearers.

High school students and friends of the Gove family did honor to the memory of Leonard Gove, filling the Presbyterian church to capacity for the funeral services conducted by Rev. H. C. Hartranft Saturday afternoon. Over fifty cars were driven in the funeral procession to the Pilot Butte cemetery.

Two musical offerings were presented by a quartet consisting of Mrs. C. P. Niswonger, Mrs. Mary Reynolds, W. A. Harris and H. C. Hartranft. The floral offerings were many and beautiful. Pall bearers were students of the high school and friends of the Gove boy; Lloyd Blakeley, Thomas Going, Elmer Johnson, Stuart Rae, LaVerne Whitmore and Lester Smith.

**MANY RABBITS DIE IN ANNUAL DRIVE**

Rodent Pest in Tumalo Section Now Well Under Control as Result of Systematic Campaign.

Ranchers, aided by sportsmen from Bend, took part in the annual rabbit drive held in the Tumalo section yesterday, which resulted in the death of some 900 rodents. On the basis of the rapid multiplication which characterizes the rabbit tribe, this is computed to be the equivalent of 7900 killed at the end of the summer season. Because of the drives, Tumalo farmers report that the number of rabbits is growing less each year, and while there is no hope of actual extinction, the pest is now well under control.

Seventy-five men armed with shot-guns, started from Tumalo in the morning, stopping for lunch at the P. M. Smith ranch. In the afternoon, they started in the opposite direction, and the drive was continued until the return to Tumalo. Ammunition was furnished to the hunters at cost.
