YOUR HAT'S YOUR HUT

"Hat" comes from the same Anglo-Saxon root as hut or house. Your hat is your castle. Be sure you live in one expressive of your personality—in other words, be sure it's a Gordon.

There's a Gordon model for every type—a color for each individual taste; get the hat that becomes you.

Just As Important

Waiting until the real hot weather is here before starting to take ice may be false economy.

Food which you may think absolutely untainted but which in reality is unfit for the human system, is very common at this season of the year.

Food kept ice-cold is more pleasing to the palate and keeps appetites whetted for every meal.

WARNER'S

We hate to be always talking about money

but so far, we do not know of anyone who has succeeded in buying a porterhouse steak with anything else.

That's why we keep pounding on Value.

Harping on how much of your money we can save for you—drumming on how little profit we want for ourselves.

Some day, when our really valuable value talks get on your nerves—come in and let us show you how a really valuable money's worth feels on your back.

That's our stock in trade—

We're trying to win yours.
