LOCAL NEWS ITEMS

C. H. Haines went to The Dalles last night on business.

J. G. Shotwell was a passenger on the stage this morning to La Pine.

John Silvertooth of Shaniko was in Bend yesterday. He left last night for Portland.

Mrs. B. R. Finch of Lakeview passed through Bend last night on her way to Eugene.

Robert Shafer yesterday purchased a Ford touring car from the Central Oregon Motor Co.

A concrete floor sewer connections are being installed in the barber shop section of the Waldorf.

M. H. Horton has returned to Bend from Seattle, where he attended the annual convention of Rexall druggists.

Dr. H. C. Dodds, who moved to this city early in the year from Wasco county, is fitting up offices in the O'Donnell building.

George P. Gove left last night for Albany, where he is delegate to the Odd Fellows' convention. The other delegates left Sunday night.

M. J. Scanlon of the Brooks-Scanlon Lumber Co. arrived in Bend yesterday from Minneapolis on a trip of inspection of the local plant.

D. L. Sharp, salesman for W. C. Garbe, Inc., of Portland, who has been in Bend for several days, returned to the coast last night.

D. B. Glenn, who passed through Bend Sunday on his way to La Pine on business, returned last night to his home at Montavilla, Wash.

Miss Nieta Hazelton, who has been visiting in Bend for 16 days with her sister, Miss Hazel Hazelton, returned last night to her home in Cottage Grove.

W. M. Smith, assistant state superintendent of school, arrived in Bend last night from Salem to inspect a number of schools in Deschutes county.

Frank Zumwalt of the Allingham ranger station and Ranger Ben Smith, who have been working on the Tumalo forest service phone line, were in Bend today.

Dr. D. F. Brooks, president of the Brooks-Scanlon company, was in Bend yesterday on his regular trip of inspection of the local plant, and visiting his son, H. K. Brooks.

Fred Ellenburg returned last night from Roseburg, where he went several weeks ago. He reports that the roads from Portland to Bend are muddy, travel being difficult yesterday.

Four committees of the State Teachers' association met in Portland Saturday to discuss educational problems of a special character, reports S. W. Moore, who returned from that city after attending one of the committee meetings. They will report at the December session of the association.

J. B. Miner is moving today to the room formerly occupied by the Odd Shop, across the street from his old office, the front of which was torn out this morning for changes necessary to the occupation of the building by the A. F. Larson jewelry store. The Odd Shop is temporarily going out of business.

A. C. F. Perry, an engineer from the state engineer's office, and his family arrived in Bend this morning on their way to Warner lake, near Lakeview. Their car and trailer were covered with mud, picked up on the road near Shaniko. Going was very difficult yesterday between The Dalles and Bend, Mr. Perry declares.

TEAM TO PLAY AT PRINEVILLE

HIGH SCHOOL BALL TOSSERS JOURNEY TO CROOK COUNTY FRIDAY—INJURED CATCHER MAY NOT PLAY.

The Bend high school baseball team will journey to Prineville Friday to play the Crook county high nine. Two weeks earlier the Bend team lost to Crook county, but has since shown improvement, and expects to give Prineville a run for its money. The former score was 19 to 6.

As the high school senior class play occurs Friday night, two members of the squad will not accompany the team—Lamb and Reynolds. Lamb's place in the lineup will be taken by McNeely. Otherwise the team will line up as it did last Friday against Burns, unless Tucker, who sprained a finger at that time, is unable to play because of the injury. Tucker caught for three innings after it occurred, telling nobody he had been hurt. Norcott and Moody will take turns pitching. Coach Miller announces.

Long-Lived Dollars.

The gold dollar had a long life. It was first issued in 1849, when the excitement over the California discovery was at its height, and was not discontinued until 1889.

Getting something for it. If you have a lot of old junk, don't throw it away and feel wasteful; give it away and feel charitable.—Boston Transcript.

PLAN JOYOUS CELEBRATION

(Continued from Page 1.)

free, as will most of the day's attractions.

One Day Still Favored.

Since only one day will be consumed in the celebration, early morning will be devoted to features in which the children will be prominent actors. This part of the program, beginning at 8 o'clock a. m., will be in charge of the Boy Scouts and Campfire Girls. Following the morning salute of dynamite, the boys and girls will meet on Wall street near the gymnasium, and join in singing patriotic songs. Each child who attends this event will be presented with a balloon and a flag, the chairman of the celebration committee announces. The children will also listen to a patriotic address.

The fire department will have charge of the morning parade, the committee announces. The usual floats and exhibits from the organizations of the city will be present, with some new wrinkles. The parade will end in the city park, where a prominent man from out of town will deliver the address of the day.

To Have Baby Show.

A baby show, in charge of Dr. R. W. Henderbott, will follow the speaking. Prizes of \$15, \$10 and \$5 will be given. A log rolling contest, arranged by Jack Coleman, with \$40 in prizes, and a log bucking contest, in charge of Paul Hömer; a tug of war, participated in by teams from

each of the mills, the fire department and the American Legion; and a pie-eating contest, in charge of H. Cato, will be features of the celebration at the park, together with a hand concert, previous to the picnic lunch. All Bend people and visitors are expected to take part. Coffee for the lunch will be served by some civic organization.

At 2 o'clock the crowd will adjourn to the downtown section for an hour's program of street sports, in charge of Maurice Cashman. At 4 o'clock there will be a bull game between the Bend nine, and a team from the Willamette valley.

The ladies of the Mooseheart Legion will give a dance Saturday night at the Moose hall. Good music; tickets, \$1. Everybody invited.

Would It Be Wood?

If it's possible to make it with wood—we would like to demonstrate that we have the necessary equipment and ability to give you satisfaction.

We build anything to order. Do all kinds of repair work. Gum and file saws, or sharpener tools. We are experts in picture framing.

Our prices are according to time and material used on the job—SO THEY ARE LESS.

FEDERAL TIRES

These men are discriminate buyers and when they spend their money, it is with the assurance that they are getting 100% value; experience has taught them that the cheaper article is just what its price implies "Cheap."

They figure cost per mile in buying tires just the same as you figure cost per pound when you buy sugar at your grocery, and they would not buy "Federal" if they were not getting more miles per dollar, because if there was any tire built that would give more miles per dollar investment that is what they would have.

The "Federal" will give you more miles, more life and more comfort than any other tire in the world, therefore it is economy to equip your car with "Federal."

Ask any of the following, why they prefer "Federal"—they use them and they know.

I'd walk a mile for a Camel

The pleasure is worth it. There's no substitute for Camel quality and that mild, fragrant Camel blend.

The fellow who smokes Camels, wants Camels. That's because Camels have a smoothness, a fragrance and a mildness you can't get in another cigarette.

Don't let anyone tell you that any other cigarette at any price is so good as Camels.

Let your own taste be the judge. Try Camels for yourself. A few smooth, refreshing puffs and you'd walk a mile for a Camel, too.
