

SOCIETY

(By Mrs. L. W. Gatchell, Phone 168-W.)

Notes for publication in the social column in the Saturday issue of The Bulletin must be in not later than 3:30 o'clock on the afternoon of the day preceding.

Seventy-five members of the Sons of Norway Sunday attended a social gathering at the George Erickson ranch in the Grange Hall district. The day was spent in games and sports, and a delightful luncheon was served. The lodge plans to meet often in this manner.

The Bend Study club held its final meeting of the club year Monday afternoon at the home of Mrs. J. C. Vandever. The concluding papers on the study topic, "South America," were on the subjects "Literature and Art" and "Religion," the first presented by Mrs. R. D. Miles and the second by Mrs. A. Whisnant. A delicious luncheon was served in the late afternoon.

The Wednesday Bridge club met this week at the home of Mrs. H. E. Allen on Front street. Mrs. J. E. Herbert and Mrs. A. M. Pringle were the prize winners of the afternoon.

Congratulations are being received by Mr. and Mrs. Norman Boles upon the arrival of a baby daughter, born Thursday morning, who will bear the name Nancy Anne.

The guild of the Episcopal church held its regular meeting yesterday afternoon at the home Mrs. J. C. Rhodes. Following a short business meeting, the afternoon was devoted to sewing. Light refreshments were served at the usual hour.

Mrs. E. J. Catlow entertained with a 4 o'clock dinner Sunday afternoon, honoring the birthday anniversary of Mr. Catlow. Those enjoying the hospitality of the Catlow home were: Mr. and Mrs. E. L. Paine, Claire Paine, Mr. and Mrs. L. M. Foss, Mr. and Mrs. W. H. Hudson, Mr. and Mrs. R. D. Morton, and Mr. and Mrs. E. O. Stadler.

The Sunshine club met this afternoon at the home of Mrs. Victor Buckingham. The club, which is working along charitable lines, on this occasion spent the afternoon in packing a box for the destitute Armenians. At 4 o'clock a light luncheon was served.

Honoring Mrs. Ida B. Callahan of Corvallis, president of the State Federation of Women's Clubs, the Bend Study club entertained with a 1:30 o'clock luncheon at the Elks' club rooms yesterday. The table was attractively centered with manzanita, the club flower, while tiny sprays of the shrub held the place cards. Following the serving of a three-course luncheon, Mrs. Callahan talked informally on the benefits of club organization and of the opportunity for service thus afforded. Those present were: Mrs. Callahan, Mrs. Collins Elkins of Prineville, Mrs. Carrie D. Manny, president of the Woman's Civic league, Mrs. A. F. Larson, Mrs. Floyd Dement, Mrs. E. R. Leary, Mrs. A. Whisnant, Mrs. T. E. J. Duffy, Mrs. J. H. Haner, Mrs. R. D. Miles, Mrs. Carl A. Johnson, Mrs. G. A. Horstkotte, Mrs. J. C. Vandever, Mrs. W. P. Barney, Mrs. R. W. Hendershott, Mrs. Charles Hayden and Mrs. L. W. Gatchell.

Miss Doris Foster, whose engagement to Vernon Manny, son of Mrs. Carrie D. Manny, has recently been announced, was the honor guest at a bridal shower given Thursday evening at the home of the Misses Evelyn Carlson and Ida Benson. The presentation of gifts was brought about in a novel way. The bride-elect was requested to seek a "hid-

den treasure" by means of a thread guide line. At the end of the quest every good wish for future happiness was extended and the remainder of the evening spent with social pleasures and the enjoyment of a delicious luncheon. The guest list included the teachers of Reid school, where Miss Foster has taught for the past three years, and a few other friends.

Mrs. R. D. Morton received a small party of friends on Thursday evening, when the evening was spent with needlework and conversation.

The Girls' Friendly society of the Episcopal church met Tuesday afternoon at the home of the club leader, Mrs. C. A. Stanburrough. This organization has an active membership of 28 and is planning a full program for service. On Tuesday plans were outlined for the giving of a public entertainment, called "The County Fair," some time within the near future, at which time a sale of children's garments will also be put on.

Mrs. R. P. Davidson was hostess Thursday evening to a party of eight ladies, who spent the evening with cards until their husbands, who had been attending a special meeting of the Knights Templar, joined them, and a light luncheon was served.

Mrs. E. E. Werlein, who has been visiting her mother, Mrs. C. A. Stanburrough, left Thursday morning for her home at The Dalles after a 10 days' visit in Bend.

Mr. and Mrs. R. S. McClure, accompanied by Mrs. Claude Metz and small son, left Friday morning for Ashland, making the trip by auto by way of Klamath Falls. Mrs. McClure will visit her parents at Ashland for two weeks, while Mrs. Metz will be with relatives in Medford for a like period. Mr. McClure will return to Bend Sunday.

A pleasant social affair occurred Monday evening, when members of the Episcopal church and friends met around the dinner table at Epworth hall. During the hour plans were discussed for the establishment of a church home in Bend and \$1000 was raised as a nucleus for a building fund. It was definitely decided to build a parish house in the early fall. The building, which will be used for social purposes as well as church activities, will be erected on the corner of Wall and Idaho streets.

The Yodeling of the Swiss.
Yodeling is a peculiar manner of singing by using the falsetto voice in harmonic progressions, with sudden and unexpected changes to notes of the chest register. It exists chiefly among the Tyrolean and Swiss mountaineers.

For Antiquarians to Solve.
In discussing the origin of names from occupations an interesting point crops up. A man might have been a cooper and his son a weaver, why was the family known as coopers and not weavers? Just at what point did the appellation crystallize into a name? Careful study has failed to clear up this point.

Calumet is made in the largest, most sanitary Baking Powder Factories in the World. No Baking Powder is made under better conditions—none can be better in quality.

It contains only such ingredients as have been officially endorsed by the U. S. Pure Food Authorities. An absolute guarantee that it is pure.

It received highest Awards, World's Pure Food Exposition, Chicago — Paris Exposition, Paris, France—positive proof of its superior merit.

It is used by more housewives, domestic scientists and chefs than any other brand. That would not be the case, if it were possible to secure a higher quality leavener.

It is sold at a moderate price. All you have to do is to compare costs to determine how much you can save by buying Calumet.

Pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. instead of 16 oz. cans. Be sure you get a pound when you want it.
