**DISTRICT SCHOOL MEETING IS SET**

**Election Necessary Because Budget Calls For More Than Six Per Cent Increase Over Last Year.**

The annual school meeting of the Bend district, at which the voters will decide the fate of the \$127,000 budget for the coming school year, will be held June 29 at 2 o'clock p. m., in the high school auditorium, according to notices out this week. The budget was decided upon by the

**Fresh Paint Sells Too Many Used Cars**

Let the buyer beware, when it comes to investing in second hand automobiles. In most cases, he buys a bunch of troubles that begin to crop up before the new paint begins to wear off.

We offer only one make of used car, and it is the kind we know all about and are in position to guarantee—which we do. We could not afford to sell you a "cheap" in a Ford car, as our reputation as Ford experts is worth more than the profit on any number of used cars.

The following used cars are worth all the price calls for and no matter which one you select, we stake our reputation on its value.

**Ford Roadster with delivery body, \$425**  
A handy vehicle for any merchant to put into service; ready to go, and so good.

**EASY TERMS ON PURCHASES**

**Ford Roadster, regular.....\$375**  
A business man's car; saves your money and time; just the ticket to have at your office for either short or long hauls.

**Ford Touring, regular.....\$465**  
A fine family car. Put your recreation money into a car like this and you will get its worth all back in the season of outings.

**Ford Touring, regular.....\$415**  
In the top condition; answers every purpose of a new car; with much less investment; for pleasure or business it is worth more than the cost.

These four cars have recently had a complete overhaul and are mechanically perfect.

As Ford Agents, we back these cars just as we would new ones. This is the time, these are the cars, and the place is the

school board at their meeting two weeks ago as the amount of tax levy necessary to operate the schools next year.

An election is necessary because this amount is more than six per cent over the levy of last year. According to the notices, prepared by the board, the additional amount is made necessary to meet increased salaries and increased expense of operation. Growth of the school system since 1916 has been so great that the six per cent annual increase has not been sufficient to take care of the needs. The proposed levy exceeds the amount allowed by the regular increase by \$83,829.65.

The total of the school budget is \$149,500. From this is taken \$10,500, which is estimated as the amount of receipts from the county school fund, \$12,000 from the state school fund, making a total to be subtracted of \$22,500.

Items of the budget of estimated expenditures are: Instructional expense, \$76,000; operating expense, \$17,505; general control, \$5825; maintenance, \$3000; capital acquisition and construction, \$4502; sinking fund, \$10,000; bond interest, \$6960; emergency fund loan interest, \$3040; emergency fund, \$21,518; library, \$850.

At the same school meeting will be held the election of two members to the school board. The terms of Mrs. E. M. Thompson and H. E. Nordeen expire in July. It is understood that they will seek reelection. Mrs. Horace Richards and E. P. Mahaffey have been mentioned as candidates and have the support of the Woman's Civic league.

**Barber's Prerogative.**

There's only one individual who can snap his fellow men in the face and get away with it, and that's the barber.

**Beautiful Hair is the Crowning Glory of Every Woman—**

But no man, too, looks more attractive with a good growth of hair than with thin or no hair at all on top of his head.

Mothers especially should not neglect their children's hair, since in a while a good electrical treatment with some nourishing ointment or tonic will bring up circulation and start the hair to grow, a little investment for which the children will be thankful in later years.

The climate of this country is very hard on scalp and skin, therefore almost constant care is necessary to keep them in good condition. Mrs. Muller's electrical scalp treatments are guaranteed to correct all scalp troubles, and encourage a beautiful growth of hair.
