PARIS BRINGS TOURISTS JOY AT GYMNASIUM

(Continued from Page 1.)

The real Fi-Fi was quietly taken from the other door of the coach, placed in Frank Prince's car and whisked to the gymnasium, where she appeared last night in characteristic dances of the Latin quarter.

Officer Houston pulled a new one when the same Legion man climbed on the running board of the patrol wagon, leaving the station with the false Fi-Fi, and stole the switch key. Houston did something or other and the car proceeded on its way. Find-

'DESPERATE YOUTH'

Two wise old saws—"the course of true love never did run smooth"—and—"there's nothing so interesting as the people other people marry." That's why "DESPERATE YOUTH" is just the kind of breathless love story that gives you one perfect hour of entertainment. Played by fascinating GLADYS WALTON in a way to make you want to climb right into the screen and fight her battles for her. See this picture! It was made to chase the blues!

It's a UNIVERSAL Picture Starring **GLADYS WALTON** PINK TIGHTS AND ALL DOLLED UP

ing that the woman they had was not Fi-Fi, she was later released.

How the champagne was smuggled in is still a mystery, but it is said to have made its appearance at the cabaret last night.

Parade Begins at 7:30. Every attraction in the Parisian tours will have its place in a parade which will start from the gymnasium at 7:30 o'clock tonight, passing through the business section of the city, and returning to the gymnasium. The Shevlin-Hixon band has donated its services for the occasion, and following the parade a 46-minute free concert will be given in the building.

New members of the athletic club are advised to bring their application blank stubs with them when they visit Paris tonight, as new trials are to be visited on non-members.

JUDGE GARY RECENTLY SAID:

"Our resources are so great—our facilities for carrying on affairs so satisfactory we know that before us is the greatest prosperity this country has ever witnessed. This is the time for encouragement—a time to be hopeful—a time to be optimistic—and we'll all come out all right... I have never lost my faith in the future of the industry—or the future of America."
