MAZAMAS ARE TO USE FIRST MOVABLE CAMP

Famous Hiking Club to Give Up Packhorses Also—Bend People Invited to Go on Expedition.

The Central Oregon trip planned for the first two weeks in August by the Mazamas will be the first outing spent by the famous hiking club in which a movable camp is used, declared Miss Martha Nilsson, chairman of the outing committee of the club, who arrived here this morning from Portland to make arrangements for transportation to Crescent lake. It will also be the first time that the Mazamas have dispensed with packhorses, said Miss Nilsson. It will be the club's 28th annual expedition.
 Miss Nilsson extended an invitation to Bend hikers who may wish to accompany the Mazamas on their trip. Those who intend to take advantage of the invitation must register with Miss Nilsson by writing to 352 Chamber of Commerce, Portland, before next Thursday.
 The Mazamas, 75 of them, will arrive in Bend on the last day of July.

FAST TIME IS MADE ON SOUTHERN TRIP

E. L. Payne Makes Los Angeles in Three Days and Three Hours—Many Tourists Heading North.

Three days and three hours was the fast time made by E. L. Payne in driving his Nash from Bend to the Elks' convention in Los Angeles, say a card just received by Fred Fish, of the Deschutes garage. Payne reached the convention city at 2 o'clock Saturday afternoon.
 One puncture and a broken fan belt constituted the sum total of his trouble in the long journey. Although huge crowds are gathered in Los Angeles, he reported meeting many tourists heading for the north.
