ACCURACY WINNERS

Mr. I. W. Walker,
Behnke-Walker Business College,
Portland, Oregon.

Dear Mr. Walker:

This letter confirms my telegram of Tuesday in which I advised you that Miss Marian Rhoades and Miss Anabelle Wells had qualified in the Accuracy Contest held in our Portland Office on June 16.

Mr. Mattice's report does not tell us whether Miss Rhoades and Miss Wells are at the present time students in your school. Please advise us on this point. In any event, your school can now claim the most successful showing of having made the best test of any school in the United States. Four of your students, all graduates, have now been winners.

It is needless for us to tell you, Mr. Walker, how proud we are of this record. We congratulate you, Mr. Wiese and each of these winners. When our accuracy map is revised showing four Behnke-Walker faces in Oregon it is going to look mighty good to us, and, we know, it is going to look even better to you.

Will you please be good enough to have Miss Rhoades and Miss Wells send me a brief biography of their training and experience, if any; also photographs which may be used in revising our map?

With very best wishes and anticipating a line from you at an early date, I am

Very truly yours,
Harry C. Spillman
School Department.
