The Meter Knows and Will Tell--

Which appliance consumes the most electricity, an electric washer, an electric iron or a 12-inch fan?

Your Electric Meter knows.

Without guesswork, with scientific accuracy, your Electric Meter records the exact number of watt-hours consumed by every lamp or appliance.

This Meter will tell YOU the truth, too—if you will read it yourself.

Question of Influence.
 The secret of success, according to a Kansas City minister, is to be born without money, friends or influence. Many are born without money, a few without friends, but we never heard of a baby without influence.—Kansas City Star.

Prince Albert's a new note in the joys of rolling 'em!

Talking about rolling your own cigarettes, we'll tell you right here that Prince Albert tobacco has 'em all lashed to the mast!

You've got a handful of happiness coming your direction when you pal it with P. A. and the makin's papers! For Prince Albert is not only delightful to your taste and pleasing in its refreshing aroma, but our exclusive patented process frees it from bite and parch!

And, for a fact, rolling up Prince Albert is mighty easy! P. A. is crimp cut and stays put and you whisk it into shape before you can count three! And, the next instant you're puffing away to beat the band!

Prince Albert is so good that it has led four men to smoke jimmy pipes where one was smoked before! It's the greatest old buddy-smoke that ever found its way into a pipe or cigarette!

Prince Albert is sold in tippy red bags, tippy red tins, handsome pound and half pound tin humidors and in the pound crystal glass humidors with sponge mister top.
