COL. ROOSEVELT'S WIFE DRIVES MULE IN COUNTY FAIR RACE

Mrs. Theodore Roosevelt, even though her husband is assistant secretary of Navy, did not find it beneath her dignity to drive an entry in a mule race at the Dutchess County Fair at Rhinecliff, N. Y., the other day. Her rival was Mrs. I. G. Webb, another prominent society woman, up behind the white mule. It was a dead heat. Col. Roosevelt is seen standing directly across his wife's speedster, "Happy."

WOMAN IS CAUSE OF MAN'S IMPROVEMENT

Club Leader Declares That Progress Since Beginning of Time Due to Wife's Influence.

(By United Press to The Bend Bulletin.)

NEW YORK, Sept. 23.—At last woman has made a man out of man.

The reformation, in progress since the beginning of time, now is accomplished, and man—the majority, of course—has reached the height of perfection.

"The change was brought about by woman. She keeps him at home nights now because she is able to discuss business and politics and he doesn't have to go to the club. She makes him do some of the shopping and is interested in care of the home.

"Why men have nerve enough now to argue with the butcher because

PARENTS ASKED TO ATTEND RECEPTION

Acquaintance With Teachers Especially Desirable School Board Member in Charge Points Out.

All parents in the city are especially urged to attend the reception to be given Monday night at the gymnasium for the Bend teachers, Mrs. Horace Richards, chairman of the teachers' committee, emphasized today. It is particularly desirable, she stated, that parents become personally acquainted with the men and women who will have charge of the education of their children. The reception, however, is a community affair, and a general invitation to everyone in Bend is extended.

The opening hour has been set for 8:15 o'clock, and it is asked that everyone attending come on time.
