ONLY ONE MAN LEFT TO SERVE ON JURY

Selection of Grand Jury In Newly Formed Texas County Virtually Depletes Ranks of Eligibles.

(By United Press to The Bend Bulletin.) LUBBOCK, Tex., Dec. 3 .- Law vi olators of Hockley county demanding a jury trial are going to have things easy, according to Sheriff Stroud, who has just completed the first grand jury of the newly organized county. Sheriff Strond traveled 1,200 miles to secure the twelve men.

It was found after the grand lury was impaneled that there remained in the county only one other man. qualified to serve as a juror, hence, If indictments should be returned, there could be no petit jury to try persons indicted. The grand jury was discharged without action.

Leveland the county seat of Hockley county, has a total population of five, although it is situated in a rich farming country.

Australian Concerns.
Cannibalism, apparents, ins its refinements. In north Australia there are certain cannibal tribes who make a practice of eating their sinin friends, but not their enemies—a habit which ought not to conduce to friendliness.

The Swallow Dive. Some boys were being given instruction in diving. The particular lesson was on the swillow rive. "Now, Jenkins," said the instructor to the most backward pupil, "you take a turn." Jenkins made a hopeless atempt and created an atarming splash. "Trat's not a swallow dive," said the instructor. "But't ft?" gargled the unfortunate Jenkins. "Why, I thought I had swallowed the whole pool!"

NOTICE OF SCHOOL ELECTION TO INCREASE TAX MORE THAN SIX PER CENT OVER THAT OF THE

PREVIOUS YEAR Notice is hereby given to the legal voters of School District No. 1 of Deschutes County, State of Oregon, that an election will be held in said District at Bend on the 17th day of December, 1921, at 2 o'clock in the afternoon, to vote on the question of increasing the amount of the tax levy in said District for the year 1922 by more than six per cent over the amount of such levy for the year immediately preceding.

It is necessary to raise this additional amount by special levy for the following reasons:

The six per cent limitation would fix the levy at only \$39,722.47 which amount would not be sufficient to maintain and operate the schools during the year 1922.

Dated this 26th day of November, 1921.

How Ferns Spread. The fronds of ferns arch over until they touch the earth, where they root and form new plants. Some other ferns occasionally produce plants in this way, but in this species it is a settled habit. The new plants grow up, repeating the process of walking. and soon the original plant is sur rounded by quite a colony of its own offspring without the intervention of spores. The connections between them are slow to die, and it is not unusual to see three or four generations linked together.

Santa Remembers Baby

Santa Claus never forgets the bables and each year presents their little belongings made in new and pretty ways. This year "nightinpretty ways. This year "nightin-gales" and bonnets seem even better than their predecessors. A set to match is shown above, made of fine flannel and trimmed with narrow satin ribbon gathered along one edge and feather-stitched down. A frill of narrow lace finishes the cap.

For Little Garments

Hangers for wee garments make lovely gift for your children, espe-cially when they look like dolls. Here two are dressed up to represent a girl and a boy doll and a third is simply covered with ribbon and deco-rated with ribbon flowers. Little celluloid doll heads, wide and narrow satin ribbon and wire hangers with a little ingenious sewing are all that is needed for the doll hangers.

Useful Coffee Cans.

Tin coffee cans can be used as per-manent containers for your salt, spices and so on. Enamel them in white or cream and put a little bor-der design in black, blue, yellow or any preferred tone around the top

They Liked Leeks Owing to the fondness of the Celt ic tribes for the leek their descend-ants, the Weish, retain it as an emblem of their nationality. The leac or leek was an important vegetable and the Anglo-Saxons called their gardens
