SIDE TALK NO. 21

The other day a man coming across the street from Cashman's corner, stopped and said to me: "Take this Christmas present." It was a 25 cent cigar. I said to him, "Thanks, but what is this cigar for?" He said: "For the good work you have done this year as city councilman." I felt kind a mean, because a councilman is not supposed to take one cent compensation for his services as a city official.

Yours truly,  
C. J. LEVERETT.

P. 4—Let us hope the Mayor and each other councilman will be remembered Christmas for the good work he has done in 1921.

**FILIPINO QUARTET IS DUE NEXT WEEK**

Native Musicians Will Play On Native Instruments At Second Band Lyceum On Wednesday Night.

As the second number of the winter lyceum course sponsored by the Stevlin-Hixon band, NePomoceno's Filipino quartet will appear Wednesday evening, December 28, at the Grand theatre, it was announced today. As an introductory number a 30 minute concert will be given by the band.

The quartet is composed of native musicians, performing on native instruments. While the islanders will specialize in the harmonies of their home country, they are also heralded as being extremely well versed in the classical and popular music of other lands.

**WILL GIVE TESTS IN SCOUT DEGREES**

Due to the fact that Monday is a holiday and many of the families plan to have their Christmas dinner that day, the Boy Scout field day will take place on Tuesday, December 27. All scouts are asked to report at Epworth hall at 9:30 o'clock Tuesday morning with warm clothes and a package of food suitable for the noon-day lunch. The scout master will be ready to give all field tests in the tenderfoot, second class and first class ranks.

Only Metal Money Now Handled In Telluride—More Satisfactory Declare Officials.

TELLURIDE, Colo., Dec. 24—No more paper money. That's the slogan adopted by the Bank of Telluride. For the first time in years, the teller's cage recently contained nothing by gold and silver money. All checks were cashed and all large change given in gold and silver coins. Silver dollars, five, ten and 20 dollar gold pieces were given out instead of paper money.

Bank officials said metal money proved more satisfactory in handling.

The rest is something never portrayed till now in a motion picture!

An attraction as different from all that DeMille has done before as his "Why Change Your Wife?" was different from the first screen drama.

Luxury, beauty, fashion, allurements, as only DeMille knows how. But something more!
