**LEGION TO PUT ON MUSICAL COMEDY**

"Land of Happiness" With Cast of 50 To Be Staged February 17 And 18—Directors Here.

"Land of Happiness," a two act musical comedy with a cast of 50 will be given at the American Legion building under the auspices of Percy A. Stevens Post No. 4, on the evening of February 17 and 18, provided the recommendation of the combined entertainment committees of the post is endorsed at tomorrow night's post meeting.

The production will be directed by R. W. Hillem and Jack Alden of Walla Walla, with Arthur Stewart of the same city as business manager. These men arrived in Bend yesterday with a full quota of costumes and scenery, and today put their plan before the entertainment committee of the Legion, the result being favorable.

The first scene is in a Paris cafe, with American soldiers and sailors and a chorus of French girls taking part, while the second scene is on a Cannibal isle in the Pacific. The managers guarantee that the entertainment will be strictly clean, and of such a nature that no one may object to taking part.

The directors guarantee to teach all sorts of dancing to the members of the chorus, and when dates for rehearsal are set, will invite all young women who are interested in fancy dancing to take part. There are ten speaking parts.
