Stylish Velour Capes
Dame Fashion's Newest Decree

\$19.75

These Capes are the most recent idea of Milady for an outer-garment both stylish and practical for frequent occasions. They fulfill both requirements adequately. In a rich velour of reindeer or oopen, they are charming.

One of the chief features of these Capes are the new deep arm-holes with trimmings of contrasting colors and tassels. Then there are the new collar effects and other features, all of which develop a decidedly pleasing style. The garments are cut exceptionally full, permitting them to hang gracefully from the shoulders. See them and you will be delighted with them.

Coats
for Women and Misses

CHARMING styles in Velours, Bolivia and Poire Cloak, in the wrappy, loose back or semi-fitted effects—the newest ideas in trimmings, sleeves and collars. Many are full silk lined, others half silk lined.

There are all the niceties of finish which the superiority of elegance in Spring wraps call for. All in all, these Coats are a particularly fascinating collection of modish models, truly temptingly priced.

Taste is a matter of tobacco quality

We state it as our honest belief that the tobaccos used in Chesterfield are of finer quality (and hence of better taste) than in any other cigarette at the price.
