

Spring Fashions

It was with the most critical care that the selection of this Spring's wearing apparel was made. We knew the public would demand the very highest grades of both materials and workmanship this season and at the very lowest prices. So we bought only merchandise that would meet these requirements.

You will agree with us when you inspect our showing of Coats, Suits, Dresses and Blouses that we have been well rewarded for our efforts in selecting the best.

Especially Beautiful

Coats

of Tweed, Polo Cloth, Camel Hair and Woested materials.

There are sport coats and that is as it should be, for all styles favor sport tendencies more or less.

They are coats such as you find no where else. Distinctive touches are supplied by clever belts, unusual sleeves, large collars and smart pockets. And all of them are beautifully lined with colorful silks.

It will not be difficult to find a coat you will like from this large and varied stock.

Prices range from

\$12.50 to \$39.50

A Most Choice Selection of Spring

Dresses

await your approval. Dresses that are tailored and designed for service. Bead decoration is most popular for this season. You will find some of the cleverest color designs in bead work you have ever seen. Large flowing sleeves and cape effects are outstanding features that are most becoming to all figures. The materials of these dresses are Tricotine, Crepe Eponge, Taffeta, Canton Crepe, etc.

HARDEST GAME OF SEASON TOMORROW

Bend High Baseball Team To Leave In Morning For Prineville—"Come Back" Promised

The Bend high school baseball team faces its hardest game of the season tomorrow, when it makes the trip to Prineville for a return game. Prineville lost here by a score of 21 to 4 a week previous, but promises to put up a much stronger opposition to the locals than in the first game.

The local team must make a flying trip, for several members of the squad must appear in the second performance of "Windmills of Holland," glee clubs' operetta, here that night.
